

NAB Queen Victoria branch is closing

More and more, our customers are choosing to do their banking online, over the phone, or by video conference. And, as they continue to bank differently, it's important we continue to adapt with them.

Because of these changes, we've made the difficult decision to close our NAB Queen Victoria branch at 228–234 Lonsdale Street, Melbourne on Thursday, 22 June 2023. Of course, we'll keep helping you bank in other ways, and make sure this change is as smooth as possible for you.

Where else can I bank?

If you'd still like to do your banking face-to-face, you've got options.

Why we made this decision

Closing a branch is always a difficult decision and we understand the change can be a big adjustment for some customers. Before the decision was made, we took a lot into consideration.

Here are the main reasons

- Numerous branches across Melbourne CBD have been updated over the past few years
- Over the past few years, fewer customers are coming into branches to do their banking and foot traffic has lessened
- Approximately **78%** of our customers in **Queen Victoria** have only visited the branch once in the last year
- More than **80%** of customers are also using other locations including our newly refurbished branches

How is banking changing?

To give you a bit more context to our decision, here's how our NAB Queen Victoria customers are banking:

91%

who use this branch are registered for online banking and/or telephone banking.

12%

of those registered for online banking and/or telephone banking are active users.

9%

rely on branch-only banking and no other methods.

4%

who use this branch are also using the Post Office.
