# NAB Jeparit branch is closing

**More and more, our customers are choosing to do their banking online, over the phone, or by video conference. And, as they continue to bank differently, it's important we continue to adapt with them.**

Because of these changes, we've made the difficult decision to close our NAB Jeparit branch at 33 Roy Street, Jeparit on Thursday 13 July 2023. Of course, we'll keep helping you bank in other ways, and make sure this change is as smooth as possible for you.

# Why we made this decision

Closing a branch is always a difficult decision and we understand the change can be a big adjustment for some customers. Before the decision was made, we took a lot into consideration.

## Here are the main reasons

- Over the past few years, fewer customers are coming into Jeparit to do their banking and foot traffic has lessened
- More than **75%** of the over the counter transactions in Jeparit are today completed at Bank@Post

## How is banking changing?

To give you a bit more context to our decision, here's how our customers in Jeparit and surrounding areas are banking:

**86%**

who use this branch are registered for online banking and/or telephone banking.

**28%**

of those registered for online banking and/or telephone banking are active users.

**16%**

rely on branch-only banking and no other methods.
