

NAB Kyneton is closing

more
than
money

More and more, our customers are choosing to do their banking online, over the phone, or by video conference. And, as they continue to bank differently, it's important we continue to adapt with them.

Because of these changes, we've made the difficult decision to close our NAB Kyneton branch at 111 Mollison Street, Kyneton on Thursday 6 July 2023. Of course, we'll keep helping you bank in other ways, and make sure this change is as smooth as possible for you.

Why we made this decision

Closing a branch is always a difficult decision and we understand the change can be a big adjustment for some customers. Before the decision was made, we took a lot into consideration.

Here are the main reasons

- The Gisborne branch was completely updated in 2021
- Over the past few years, fewer customers are coming into branches to do their banking and foot traffic has lessened
- Approximately 58% of our customers in Kyneton have only visited the branch once in the last year
- More than 74% of customers are also using other locations including our newly refurbished branches in Gisborne

How is banking changing?

To give you a bit more context to our decision, here's how our NAB Kyneton customers are banking:

89%

who use this branch are registered for online banking and/or telephone banking.

23%

of those registered for online banking and/or telephone banking are active users.

12%

rely on branch-only banking and no other methods.

7%

who use this branch are also using the Post Office.
