

Cardholder Self-Service

Delivering a digital/real time solution for Corporate Cardholders

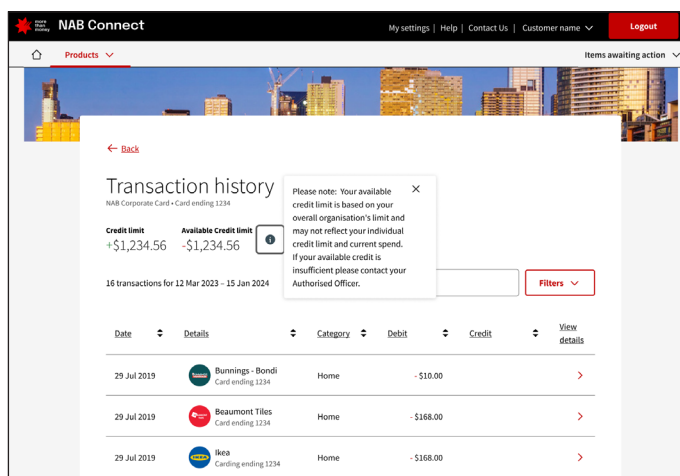

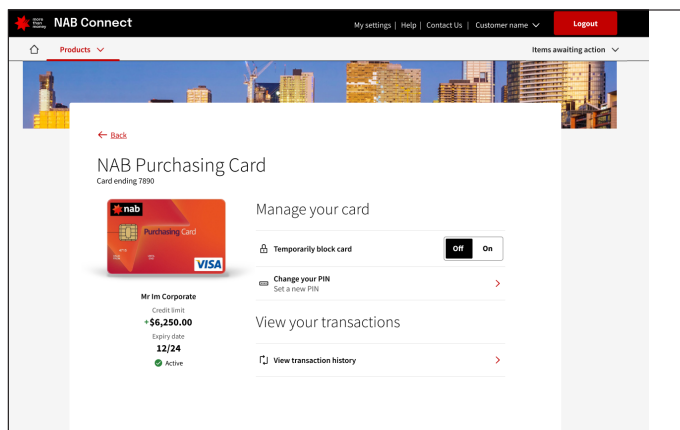

Cardholder Self-Service is an online platform for corporate cardholders made available through NAB Connect enabling cardholders to access their cards in real time.

Cardholders can:

1. View card details and transaction history
2. Block or unblock card temporarily
3. Change their card PIN

1 View card details and transaction history

Access to transactions 24/7

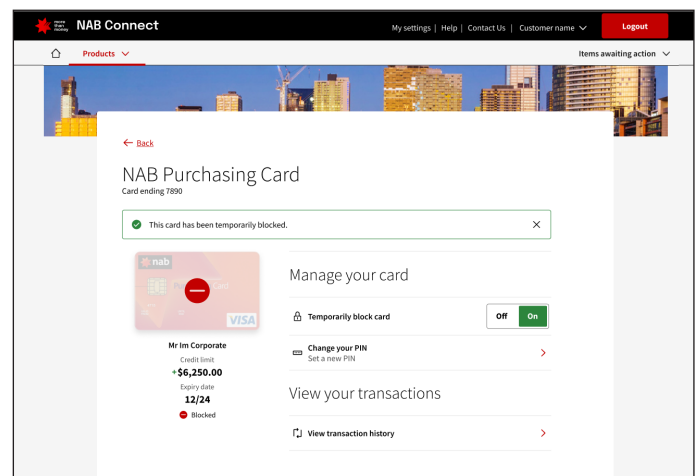

To enrol in this service, you need the following:

Company acceptance to enrol cardholders in Cardholder Self-Service

A valid employee ID number, mobile phone number and email address on your card profile

2 Block or unblock card temporarily

You can block your card temporarily for up to 42 days or unblock your card within that time period.

3 Change card PIN

Change your card PIN without using a paper-based PIN
