## **1. How this document works**

- a. These NAB Qantas Reward Terms and Conditions explain how:
  - i) you can earn Qantas Points using a NAB Qantas Card; and
  - ii) you can have Qantas Points credited to your Qantas Frequent Flyer Membership Account.
- b. Please make sure you read these NAB Qantas Reward Terms and Conditions before the NAB Qantas Card Account is used. If you have any questions just Call Us.
- c. These NAB Qantas Reward Terms and Conditions will apply to you if you have been issued with a NAB Qantas Credit Card.
- d. You accept these NAB Qantas Reward Terms and Conditions when you first use the NAB Qantas Card Account or any NAB Qantas Credit Card issued in connection with your Card Account.
- e. The NAB Credit Card Terms and Conditions may also contain provisions about what happens if a rewards program like NAB Qantas Rewards is terminated.

## **2. Our promise to you**

We will act reasonably and fairly towards you.

That includes whenever we are:

- a. considering any request you make;
  - b. deciding whether to give our consent or to exercise a right, discretion or remedy; or
  - c. setting any conditions for doing any of those things;
- or
- d. making changes under clause 16 or anywhere else in these NAB Qantas Rewards Terms and Conditions.

Examples of how we will take reasonable steps to ensure you are treated fairly include giving you reasonable notice of changes and making adjustments to your Qantas Points balance.

It's worth noting that even if we don't make a decision or do something straight away, we may still do so later on. This includes where we delay or defer doing so, or we temporarily waive a requirement.

### **3. Qantas Frequent Flyer Program**

#### **3.1 Earning Qantas Points through Qantas**

- a. These NAB Qantas Reward Terms and Conditions:
  - i) do not set out or replace the full terms of the Qantas Frequent Flyer Program; and
  - ii) supplement the Qantas Frequent Flyer Terms and Conditions by explaining how the use of your NAB Qantas Cards for eligible transactions can earn Qantas Points.
- b. You should read the Qantas Frequent Flyer Terms and Conditions with these terms and conditions. They contain additional information about membership of the Qantas Frequent Flyer Program and how Qantas Points are earned.  
For example, a member of the Qantas Frequent Flyer Program may earn Qantas Points under the Qantas Frequent Flyer Program by purchasing and taking flights with Qantas.
- c. For a copy of the Qantas Frequent Flyer Terms and Conditions and information about membership of the Qantas Frequent Flyer Program, please visit [qantas.com/frequentflyer](http://qantas.com/frequentflyer).

#### **3.2 Earning Qantas Points by using a NAB Qantas Card**

- a. When you use your NAB Qantas Card or NAB Qantas Card Account, you earn points. Qantas Points earned will be credited to your Qantas Frequent Flyer Membership Account.

- b. Points are credited to you, not to additional cardholders. Any Points earned through the use of additional cards on your NAB Qantas Card Account will be credited to your Membership Account. Points are earned on Net Purchases during a Card Account statement (“statement”) period in accordance with the rates and methods of calculation set out at 5.3.
- c. You must be a member of the Qantas Frequent Flyer Program and have advised us of your Qantas Frequent Flyer Program membership number before you can start participating in the NAB Qantas Rewards program. You will only earn Qantas Points and have the points credited to your Qantas Frequent Flyer Membership Account after you advise us of your correct Qantas Frequent Flyer Program membership number, for eligible transactions made after this date. If you are not already a member of the Qantas Frequent Flyer Program, you must separately apply for membership of that program. A joining fee may apply. Establishing the NAB Qantas Card Account or issuing a NAB Qantas Card does not result in you obtaining membership to the Qantas Frequent Flyer Program.

## **4. Getting started**

### **4.1 You must provide Membership Information**

You must supply us with your Membership Information to enable Qantas Points earned using your NAB Qantas Card Account to be credited to your Qantas Frequent Flyer Membership Account.

### **4.2 Membership Information you provide must be accurate**

If there is a discrepancy between your Membership

#### **4.3 When and how you provide Membership Information to us**

You may provide Membership Information to us at the time you:

- a. apply for a NAB Qantas Card Account;
- b. request us to issue a NAB Qantas Card; or

Otherwise you can Call Us to provide Membership Information.

To confirm your Qantas Frequent Flyer Program membership and to facilitate the crediting of Qantas Points to your Qantas Frequent Flyer Membership Account, we will give to Qantas and Qantas will give to us your Membership Information.

  - iii) you earn for each dollar of Net Purchases will depend on the type of NAB Qantas Card Account you have (i.e. NAB Qantas Rewards Card or NAB Qantas Rewards Signature Card).
- b. Qantas Points earned on Net Purchases in a Card Statement Period are capped as set out in the tables below:

#### **5.4 Can anyone sell or transfer Qantas Points?**

Qantas Points may not be sold or transferred unless permitted by the Qantas Frequent Flyer Terms and Conditions.

## **6. Qantas Bonus Points**

### **6.1 What are Qantas Bonus Points?**

- a. Qantas Bonus Points are Qantas Points that are earned by using a NAB Qantas Card at specific retail outlets in addition to Qantas Points earned under clause 5. Subject to the terms and conditions of any specific promotion, Qantas Bonus Points are the same as other Qantas Points and will be treated under this agreement as if they are Qantas Points. Once Qantas Bonus Points are credited to your Qantas Frequent Flyer Membership Account, they do not provide you with any additional benefits.
- b. There is no limit to the number of Qantas Bonus Points that can be earned in a Card Statement Period.

### **6.2 How are Qantas Bonus Points earned?**

- a. Special promotions offered from time to time by us or a Qantas Bonus Points provider may allow Qantas Bonus Points to be earned. The conditions applying to Qantas Bonus Points (including the method of calculating Qantas Bonus Points) will be provided at the time of the promotion.
- b. We may, from time to time in our marketing and promotional materials, identify Qantas Bonus Points that are available for you to earn. The marketing and promotional materials will tell you when these Qantas Bonus Points will be credited to your Qantas Frequent Flyer Membership Account.

### **6.3 Bonus Points on selected Qantas services**

- a. In addition, you will earn 1 Qantas Bonus Point for every dollar charged to your NAB Qantas Card Account for the purchase in Australia of the following services directly from Qantas (i.e. where Qantas, and not its agent, is identified as the merchant on the credit card transaction):
  - i) Qantas flights booked directly through qantas.com and Qantas Contact Centres;

- ii) Qantas flights booked through selected travel agents but processed with Qantas Airlines identified to card scheme as the relevant merchant;
  - iii) purchases of Qantas Frequent Flyer membership;
  - iv) purchases of Qantas Club membership, joining and annual fees;

  - vi) purchases made through qantasstore.com.au, qantasshop.com.au and qantasepicure.com.au.
- b. Unless otherwise notified, Qantas Bonus Points will not be earned in relation to purchases from: Qantas Freight; Qantas Holidays Limited; Qantas Business Travel Pty Limited; other businesses or franchisees of Jetset Travelworld Ltd; Qantas Staff Travel; Jetstar Airways Pty Limited; or other Jetstar-branded businesses, or for goods or services supplied by Qantas Frequent Flyer program partners.

- d. Qantas Bonus Points will not be credited to your Qantas Frequent Flyer Membership Account if the amount of Qantas Bonus Points in a Card Statement Period is a negative amount. If the calculation of Qantas Bonus Points for a Card Statement Period results in a negative amount, this amount will be carried forward and set off against the amount of Qantas Bonus Points in subsequent Card Statement Periods until such time as there is a positive amount of Qantas Bonus Points for a Card Statement Period which can be credited to your Qantas Frequent Flyer Membership Account.

## **7. What transactions don't earn Qantas Points?**

### **7.1 What transactions don't earn Qantas Points and Qantas Bonus Points**

There are some transactions which can be made using a NAB Qantas Card Account which won't earn Qantas Points because they aren't eligible. They are:

- a. cash advances (which include bills paid over the counter at a bank, financial institution or post office, and the purchase of travellers cheques);
- b. fees, charges and interest (including any GST payable on any of these) applicable to your NAB Qantas Card Account or use of the NAB Qantas Card;
- c. for a Personal Rewards Card Account, government related payments (includes transactions with Australian and overseas government entities, semi-government entities, or related agencies - for example, but not limited to, Australia Post, council rates, motor registries, fines, and court costs). Classification as a government-related transaction is based on merchant or financial institution data, so some businesses may be treated as government-related even if they are not;
- d. balance transfers, except where Qantas Bonus Points may be earned under a special promotion specifically for balance transfers;
- e. where a NAB Qantas Card used to access linked transaction accounts;
- f. purchase of foreign exchange or travellers cheques and money orders;
- g. transactions for gambling and gaming purposes (examples include purchase of lottery tickets, purchases of gaming chips or tokens and online gambling);
- h. unauthorised purchases for which you are not liable;

- i. any transactions where your NAB Qantas Card Account is, or is reasonably believed by us to be, operated fraudulently, except where you reasonably demonstrate that your NAB Qantas Card Account was not operated fraudulently;
- j. transactions made while your NAB Qantas Card Account is in arrears, suspension or default;
- k. transactions where you use your Card Account to make a payment to the Australian Taxation Office (ATO);
- l. transactions where you use your Card Account to make purchases through BPAY®;
- m. transactions NAB decides (acting reasonably) are wholly or partly for a business purpose; or
- n. transactions described in clause 8.2.

The basis on which we credit Qantas Points earned to your Qantas Frequent Flyer Membership Account is set out in clause 10.

## **7.2 What additional transactions don't earn Qantas Bonus Points**

Only transactions referred to in clause 6.3 earn Qantas Bonus Points. Some transactions will not earn Qantas Bonus Points, for example, transactions involving Jetstar or Qantas Holidays. The terms of the Qantas Rewards Program and information available from the relevant merchant may give you additional clarification about whether Qantas Bonus Points are earned.

If the balance of Qantas Bonus Points earned in a Card Statement Period is negative, the negative balance will be carried forward and set off against the amount of Qantas Bonus Points in subsequent Card Statement Periods until such time as there is a positive amount of Qantas Bonus Points for a Card Statement Period which can be credit to a Qantas Frequent Flyer Membership Account.

## **8. What reduces your Qantas Points balance?**

### **8.1 Things we will do**

We will reduce your Qantas Points balance when:

- a. there is a refund or reimbursement for a transaction previously charged to your NAB Qantas Card Account and a credit is processed to the same NAB Qantas Card Account. This may happen for a number of reasons but usually for returned goods or services;
- b. there is a charge back to your NAB Qantas Card Account under your NAB Qantas Card Account terms and conditions (for example, when you dispute a transaction charged to your NAB Qantas Card Account that results in a credit to your NAB Qantas Card Account);
- c. there have been unauthorised transactions on your NAB Qantas Card Account for which you are not liable;
- d. Qantas Points were incorrectly allocated to your Qantas Points balance; or
- e. we reasonably believe you or a Cardholder have behaved fraudulently in connection with Qantas Points and you are not entitled to Qantas Points earned.

When this happens the Qantas Points balance will be reduced by the Qantas Points value of the credit amount or adjustment. This will be done progressively by not crediting Qantas Points earned in subsequent periods until the value of the Qantas Points that should not have been credited to the Qantas Frequent Flyer Membership Account have been recouped. The Qantas Points value will be calculated using the rate at which Qantas Points are allocated for transactions to your NAB Qantas Card Account at the time the credit amount or adjustment was processed by us. However, if there is a change in the rate at which Qantas Points are earned, we will take reasonable steps to ensure you are no worse off when we calculate the Qantas Points value for the credit amount or adjustment.

## **8.2 Things we may do**

We may reduce your Qantas Points balance or not award Qantas Points to the extent an otherwise eligible transaction:

- a. results in the credit limit on the NAB Qantas Card Account being exceeded; or
- b. is debited against credit funds in the NAB Qantas Card Account.

When this happens the Qantas Points balance will be reduced by the Qantas Points value of the debited amount to the extent it exceeds the credit limit or is debited against credit funds. This will be done progressively by not crediting Qantas Points earned in subsequent periods until the value of the Qantas Points that should not have been credited to the Qantas Frequent Flyer Membership Account have been recouped. The Qantas Points value will be calculated using the rate at which Qantas Points are allocated for transactions to your NAB Qantas Card Account at the time the credit amount or adjustment was processed by us. However, if there is a change in the rate at which Qantas Points are earned, we will take reasonable steps to ensure you are no worse off when we calculate the Qantas Points value for the credit amount or adjustment.

## **9. Statements**

Each Monthly Card Statement issued in accordance with your NAB Qantas Card Account terms and conditions, will set out:

- a. the number of Qantas Points earned from the use of your NAB Qantas Card Account during the applicable Card Statement Period;
- b. the total of Qantas Points to be credited to your Qantas Frequent Flyer Membership Account during that Card Statement Period; and
- c. any Qantas Bonus Points you have earned.

## **10. Crediting Qantas Points to a Qantas Frequent Flyer Membership Account**

### **10.1 When Qantas Points are credited to your Qantas Frequent Flyer Membership Account**

- a. Qantas Points and Qantas Bonus Points can only be credit to you if you have provided us with valid Membership Information for your Qantas Frequent Flyer Membership Account - see clause 4.
- b. Once you provide NAB with your Membership Information:
  - i) Qantas Points (including Qantas Bonus Points earned in a Card Statement Period will be credited to your Qantas Frequent Flyer Membership Account within two Business Days following the closing date of each Card Statement Period.
  - ii) Qantas Bonus Points will be credited to your Qantas Frequent Flyer Membership Account as advised by us in the relevant marketing and promotional material that relates to your Qantas Bonus Points offer. Once credited to your Qantas Frequent Flyer Membership Account, Qantas Points are subject to the Qantas Frequent Flyer Terms and Conditions. However, we reserve the right not to credit your Qantas Frequent Flyer membership Account where your NAB Qantas Card or NAB Qantas Card Account are blocked to activity. Examples of when this can occur include when your NAB Qantas Card or NAB Qantas Card Account are in arrears, suspended, closed or in default under your NAB Qantas Card Account terms and conditions.

### **10.2 When Qantas Points are not credited to your Qantas Frequent Flyer Membership Account**

Qantas Points will not be credited to your Qantas Frequent Flyer Membership Account if:

- a. you cease to be a member of the Qantas Frequent Flyer Program;

- b. you did not provide us with valid Membership Information (e.g. the Qantas Frequent Flyer program membership number you supplied to us is incorrect or not current); or
- c. your first name or surname on your Qantas Frequent Flyer Membership Account do not match those on your NAB Qantas Card Account.

## **11. Cancelling a card or closing your NAB Qantas Card Account**

If you request cancellation of your NAB Qantas Card or we cancel your NAB Qantas Card (for example, if you are in default), any Qantas Points (including any Qantas Bonus Points) not yet credited to your Qantas Frequent Flyer Membership Account at the time of cancellation may be forfeited. If the NAB Qantas Card Account is closed by you or us (for example, if you are in default), any Qantas Points (including any Qantas Bonus Points) not yet credited to your Qantas Frequent Flyer Membership Account at the time of the closure may be forfeited.

If you wish to cancel your NAB Qantas Card or close your NAB Qantas Card Account (including because of a change we make under clause 16), you should consider the timing of your request so that any accrued Qantas Points have been credited to your Qantas Frequent Flyer Membership Account before the cancellation or closure (see clause 10.1 b)).

## **12. Tax matters**

We recommend that you seek independent tax advice about the tax consequences (including any fringe benefits tax, goods and services tax, income tax or reporting requirements) arising from the use of this NAB Qantas Card Account or NAB Qantas Card, or from participating in the Qantas Frequent Flyer Program or from using any of the rewards or other available program facilities.
