1. What to read

These Business Lending General Terms apply to all Facilities you have with us. They should be read with your Business Letter of Offer which lists the Facilities we are offering you. For each Facility the letter will include:

- Facility Details (such as the purpose, pricing, limits, expiry date and key financial terms); and
- Specific Conditions (these govern the use of that type of Facility, together with these Business Lending General Terms).

The Facility Details and Specific Conditions may make changes to how these Business Lending General Terms apply to a Facility.

2. How we will work with you

2.1 Our promise to you

We will act reasonably and fairly towards you, taking into account your and our respective business interests. That includes whenever we are:

- considering any request you make; or
- deciding whether to give our consent or to exercise a right, discretion or remedy; or
- setting any conditions for doing any of those things; or
- changing a term of this Agreement or our fees and charges, exercising enforcement or set-off rights or incurring expenses that are payable by you.

Clause 17.6 sets out some of the factors that we may take into account when we exercise our rights and discretions.

It's worth noting that even if we don't make a decision or do something straight away, we may still do so later on. This includes where we delay or defer doing so, or we temporarily waive a requirement.

2.2 Our commitment to good banking practices

Doing the right thing is important to us. That's why we've adopted the Banking Code which sets the standards of practice and service for banks. The Banking Code applies to our relationship with you if you are an individual or a small business as defined in the Banking Code.

You can obtain from us, on request:

- information on our current rates and standard fees and charges relating to the Facilities; and
- a copy of the Banking Code.

To find out more about the Banking Code, visit nab.com.au and look up "Banking Code".

3. Getting started

Before you can use any Facility we will need the following (unless we've told you otherwise):

- a properly accepted Business Letter of Offer (it may be electronically signed in a manner acceptable to us);
- all Security specified in the Business Letter of Offer, satisfactory to us, with original title documents and anything else we need to register the Security and have it as first ranking security (or with the priority we otherwise require);
- details of any nominated or linked transaction account required in connection with the Facility;
- if we have asked you to insure any of your assets, evidence that you have obtained insurance we are comfortable with. That may include noting our interest on your policy; and
- anything else that the Facility Details ask for.

Also, we will need to be satisfied:

- with any valuation we require of your assets (this must be for a value, and from a valuer, we are comfortable with). See clause 13 for details;
- with our "know-your-customer" checks and you have provided us with a satisfactory response to information we have reasonably requested to understand your financial circumstances and our risks of providing any Facility;
- with title, security, insolvency and corporate searches concerning you, any Security Provider and all Security assets. We will arrange these searches and let you know if there are any issues; and
- there is no Default. See clause 11 for more details.

4. Using your Facilities

4.1 Basic requirements for each use of a Facility

Once we've received everything we need for you to start using a Facility, the basic requirements for each use are:

- you have given us a Drawdown Notice beforehand (so we have time to check everything is in order and make any funding available). Unless the applicable Specific Conditions say otherwise, we will need this at least 2 Business Days before the requested date of use;
- in the case of the first use of the Facility, the requested date of use is no later than the Last Date for Drawdown (if any) set out in the Facility Details;
- in all cases, the requested date of use is a Business Day no later than the Final Repayment Date;
- the requested use is for a purpose, and meets any other requirement, as specified in the Facility Details;
- using the requested amount won't cause any Facility Limit to be exceeded (and if the Facility has different components that you can use, it won't cause any component amount specified in the Facility Details to be exceeded);
- you have provided us with a satisfactory response to any information we have reasonably requested to understand your financial circumstances and our risks of continuing to provide any Facility;
- each Security remains valid and enforceable and, in the case of a guarantee, no guarantor has ended or limited its obligations; and
- there is no Default. See clause 11 for more details.

4.2 Facility Limits

The Facility Details specify a limit for use of the applicable Facility, and whether that limit can change. If a Facility has different components that you can use, the Facility Details will also specify each component amount, which is the limit for use of a component.

If you exceed any limit, we may charge you interest on that excess amount from that time, in accordance with clause 7.4. You must not exceed any limit without our agreement. If you do, you must repay any amount over the limit immediately.

If you ask us in advance, we may let you temporarily exceed a limit. There may be a fee for exceeding your limit, which we will tell you about before we charge it. You will then need to pay us the excess when we ask you or on the date we've already agreed you will pay.

4.3 Reviewing your Facilities

We may review your compliance with the Bank Documents, your financial position and that of each Security Provider periodically (but at least annually).

You must give us all information, documents, consents and assistance reasonably requested in connection with a review. Following a review, we may continue to provide the Facilities on the same terms, or we may notify changes we may make under clause 14 or ask you and any Security Provider to vary Bank Documents or to enter new documents with us.

Some examples of information and documents we may request in connection with a review include:

- your financial records and other information reasonably requested to allow us to understand your financial position, your debtors and creditors and taxation liabilities;
- details of approvals, licences, registrations or permits required to run your business; and
- evidence of any insurance that you or any Security Provider are required to maintain under the Bank Documents.

We may also require a valuation of any Security and any property that is the subject of any Security. See clause 13 for details.

5. Payments

5.1 Regular payments

You must pay us the amounts, and at the times, set out in the Facility Details and Specific Conditions.

On the Final Repayment Date you must pay all the Facility Amount Owing. If you are not otherwise in Default, and under your Facility the principal owing is not to be fully repaid at the end of its scheduled term by regular periodic repayments, we will give you at least 3 months written notice before the Final Repayment Date if we intend not to extend the Facility.

If any amount that we have not already told you about becomes payable under the Bank Documents, we will notify you and provide a reasonable time for you to pay. If there is a Default and it is not reasonably practicable to notify you before we pay an amount or it becomes payable, we do not need to give you notice before we debit the amount to any of your accounts with, or opened by us in your name, even if it will cause the account to be overdrawn. See clause 6.1 in relation to accounts and overdrawn balances.

5.2 What currency must you pay us in?

You must pay us in Australian dollars unless the Specific Conditions say otherwise.

If you pay us in a currency other than the one which was due, we can convert your payment into the due currency. We will act reasonably when making the conversion, but any Costs involved in converting currencies will be added to what you must pay us. Please contact us if you require information about converting currencies.

This also applies if we are debiting an account of yours which is in a different currency to the due currency.

5.3 Payment rules

If and when you are required to make a payment under a Bank Document, that payment must be made in full without any set-off, counterclaim, withholding or deduction, unless you have a right to set-off granted by law which cannot be excluded (for example, where a court order permits or where you have established that a payment is not due and payable). If you do have a dispute about a payment, please contact us so we can seek to resolve this with you as soon as possible.

If a payment falls due on a non-Business Day, you can pay us on the next Business Day unless the Specific Conditions say otherwise.

If we have not specifically agreed in your Bank Documents how we are to apply a particular payment, we will act reasonably in applying payments we receive for any Facility Amount Owing against your liabilities to us.

5.4 Payments under other Bank Documents

In addition to your obligations under clause 5.1, you must pay us all amounts that you are required to pay us under any other Bank Document in relation to credit or financial accommodation that we provide to you, at the times set out in those other Bank Documents.

6. Accounts

6.1 Dealing with your accounts

The Specific Conditions may require you to nominate or open accounts with us in your name in order to use a Facility. This is for recording transactions for the Facility.

We may also, at any time:

- open accounts with us in your name to record certain transactions relating to your Facilities; and
- debit any account held by you (or an account conducted by us in your name) with any Facility Amount Owing that is due and payable, or which we may become liable to pay in respect of a Facility, even if that causes an account to become overdrawn. If there are multiple accounts for your Facility, we can choose which account we debit from.

If you are in Default, we do not need to give you notice of this.

Where an account is overdrawn, the overdrawn balance is payable and we may charge you interest on the overdrawn amount:

- in accordance with the terms and conditions of that account; or
- if there is an overdraft facility linked to that account, in accordance with the terms and conditions of the overdraft facility (whether or not the overdrawn amount exceeds the facility limit), including clause 7.4 (if the overdraft facility is governed by these terms).

Where you have nominated an account that we may debit under a Facility, you should ensure you have sufficient funds available in that nominated account to avoid your account going into overdraft. You should pay us the overdrawn balance of an account as soon as you can to help minimise your costs.

We may sometimes have to adjust the recorded date of a debit or credit to an account. We will act fairly and reasonably in doing so.

6.2 Statements of account

We will give you any statements for your Facilities and accounts with us as required by the Banking Code, and may do so electronically. Statements of account will be provided at least every 6 months, unless we agree a different frequency or the Specific Conditions say otherwise.

You should review your statements of account promptly so that you can let us know if you think any transaction or information on your statement may be incorrect.

7. Rates

The Facility Details and Specific Conditions specify the yearly rates and charges for a Facility. The Facility Details will say whether an applicable rate for a Facility (or, if applicable, for a component of a Facility) is a fixed rate, cap rate, floor rate, floating rate or variable rate, and how rates apply to the Facility. These details also include the available periods that rates apply for (sometimes referred to as interest periods or pricing periods). When a period ends, the next period starts on the last day of the previous period.

7.1 Interest calculation and charging

Unless the Specific Conditions say otherwise, we will calculate applicable interest at the end of each day on the outstanding loan or debit account balance for each Facility you have with us, and charge it to you on the last Business Day of each month and on the Final Repayment Date for each of your Facilities.

Unless paid when charged, the interest will be debited to an account you have with us or added to the Facility Amount Owing. This could mean you have to pay interest on any unpaid interest charged to you.

Daily interest is calculated at the annual interest rate divided by 365. For foreign currency Facilities, to get the daily rate we divide by 365 if in Fiji Dollars (FJD), Pounds Sterling (GBP) or Hong Kong Dollars (HKD), or by 360 in all other cases.

7.2 Variable rates and floating rates

If a variable rate or a floating rate applies to your Facility (or any applicable component of your Facility), the rate will be made up of an “indicator rate” and one or more margins, each as specified in the Facility Details and applicable Specific Conditions. A variable rate or a floating rate therefore may change from day to day with changes in the indicator rate or in a margin.

You can contact us to find out the indicator rate. If an indicator rate (including any money market or other external reference rate) or the sum of any indicator rate and any margin is less than zero, it will be deemed to be zero for determining the applicable rate for your Facility.

7.3 Indicative rates

A rate listed in the Facility Details as ‘indicative’ or a ‘current rate’ is a guide only, and may not be the actual rate that applies. The Specific Conditions explain how the actual rate is determined and advised to you.

7.4 Overdue amounts and overdrawn Facilities

It is important that you pay all amounts on time and don’t exceed your Facility Limits. We may charge interest in respect of:

- any overdue amount of a Facility Amount Owing; and
- any use of a Facility above a Facility Limit.

We will charge interest at either:

- a rate that applies to the relevant Facility; or
- subject to clause 7.5, if no applicable rate otherwise applies (for example, if there is no applicable rate that applies to a reimbursement or indemnity amount owing to us), at a rate that is no greater than the highest annual rate of interest payable under any Facility that you have with us.

Interest at the applicable rate under this clause is calculated daily and is charged to you on the last Business Day of each month and on the Final Repayment Date for each of your Facilities. Unless paid when charged, the interest will be debited to an account you have with us or added to the Facility Amount Owing. This could mean you have to pay interest on any unpaid interest charged to you.

7.5 Default interest moratorium for Farmers

We will comply with our obligations with respect to ‘default interest’ in the Banking Code, including if the Banking Code requires us not to charge ‘default interest’ or default fees for whatever reason. In this clause, ‘default interest’ means the application of a higher annual percentage rate applicable under a loan because you are in default, for the period that the default continues.

This means that where you are a Farmer and we have provided you with a Facility for the purposes of a Farming Operation, we will not charge default interest or any default fees during any period in respect of which the land you use for that operation is in drought or subject to natural disaster. Land is in drought or subject to natural disaster if an Australian State or Territory Government makes a declaration to that effect, or where we are satisfied on other grounds that the land is in drought or subject to natural disaster.

You should tell us as soon as practicable if the land you use for a Farming Operation is in drought or subject to natural disaster. For the paragraph above to apply, you may need to tell us about your circumstances, and we will refund default interest or default fees (if any) which were charged during that period.

8. Fees, taxes and Costs

8.1 Fees

You agree to pay us each fee, charge, premium or other amount and at the times, specified in the Bank Documents. Unless otherwise stated, these amounts are not charged on a pro-rata basis and once paid, are not refundable.

8.2 Taxes and Costs

You agree to pay or reimburse us for all taxes and reasonable Costs incurred from time to time relating to:

- the Bank Documents, the Facilities you have with us and any transactions under them;
- title, security, insolvency and corporate searches concerning you, any Security Provider and all Security assets;
- preparing, registering and maintaining any financing statement or financing change statement (each as defined in the PPS Law) in relation to a Security, or taking any other action that in our reasonable opinion is necessary;
- preserving and maintaining the assets and property the subject of the Security (such as by paying insurance, rates or taxes for the property, including any interest, penalties and fines);
- a variation, release or discharge of any Bank Document, or giving a consent or approval or waiving a requirement in connection with a Bank Document;
- us acting or relying in good faith on any notice or other communication from you (or genuinely believed by us to be from you) including any email and any attachment to any email;
- a Default or us exercising or enforcing our rights (or reasonably considering or attempting to do so) under the Bank Documents; and
- the costs or remuneration of, or any amounts payable by us to any External Administrator appointed by us.

8.3 You indemnify us

You also indemnify us (and our officers, employees, contractors and agents), and must pay to us on demand amounts equal to any loss, damage or reasonable Costs arising as a result of or in connection with:

- any of the payment and reimbursement obligations listed in clause 8.2; and
- us preserving or enforcing our rights (or reasonably considering or attempting to do so) under the Bank Documents.

However, you don't have to pay, reimburse or indemnify us under clause 8.2 or 8.3:

- to the extent our fraud, negligence or misconduct (or the fraud, negligence or misconduct of our officers, employees, contractors and agents) contributed to the relevant loss, damage or Costs being incurred; and
- if you are a Small Business or this is a Small Business Contract, to the extent any fraud, negligence or misconduct by an External Administrator appointed by us contributed to the relevant loss, damage or Costs being incurred.

We need not have incurred an expense or made a payment before enforcing a payment, reimbursement obligation or indemnity.

8.4 GST

Unless otherwise specified, all amounts referred to in the Bank Documents are exclusive of GST. If we are liable to pay GST or a similar tax on a supply (as defined in relevant GST legislation) made in connection with a Bank Document, you must pay us an additional amount equal to the consideration payable for the supply multiplied by the prevailing GST rate.

9. Promises we rely on

We are relying on some important promises from you to provide the Facilities. These promises are given when you or a Security Provider sign any Bank Document, and again while using a Facility.

9.1 Promises about you and the Security Providers

You promise that:

- you hold all necessary approvals, licences, registrations and permits required to run your business;
- the financial information given to us by you and each Security Provider, or on your or a Security Provider's behalf, gives an accurate and up to date view of your and each Security Provider's financial positions;
- you have not withheld any information from us which might reasonably be expected to affect our decision to provide any Facility to you;

- you don't have a material dispute with anyone;
- entering into the Bank Documents is for your and each Security Provider's own commercial benefit;
- you are not Insolvent;
- no Security Provider is Insolvent;
- you have told us about all Defaults you are aware of;
- except as specified in your Business Letter of Offer, you are not a trustee of any trust nor a partner in a partnership;
- signing the Bank Documents and using a Facility will not cause:
 - you to breach any law of Australia or elsewhere (including sanctions) or any agreement you have with someone else; or
 - any payment obligation you owe to anyone to become due earlier than scheduled;
- you have told us about any Security Interest granted by you or a Security Provider to anyone else;
- you, and each Security Provider, will not remove, sell or dispose of, or grant or permit the creation of, any interest (including a Security Interest) in any property or assets secured under a Security (or try to do so) unless we give our consent;
- you are currently complying with your obligations to us under this Agreement and any other Bank Document; and
- any Financial Covenants are complied with if:
 - you have a Specialised Facility; or
 - you are not a Small Business and this is not a Small Business Contract.

9.2 Trustee promises

If you enter into a Bank Document as a trustee, your liability to us is supported by you personally, your own assets and the trust assets. You also promise that:

- you are the only trustee of the trust and no steps have been taken to remove you as trustee;
- you have power and authority to enter into the Bank Documents and are doing so in good faith, for a proper purpose and for the benefit of all of the beneficiaries of the trust;
- you have the right to be fully indemnified out of the trust assets for obligations incurred as trustee under the Bank Documents ahead of the beneficiaries' claims;
- you are not in breach (however described) under the terms of the trust;
- you will not without our prior written consent:
 - amend the trust deed;
 - cease to be the only trustee; or
 - breach your duties as trustee of the trust.
- the trust has not vested or terminated; and
- true copies of the trust documents have been provided, if required, and they disclose all the terms of the trust.

9.3 Partnership promises

If you enter into a Bank Document as a partner of a partnership, you promise that:

- you have the full power and authority on behalf of the partnership (including under any partnership agreement) to sign and comply with the Bank Documents as a partner to bind the partnership, and doing so is for the proper business of the partnership; and
- true copies of any documented partnership agreements have, if requested by us, been provided by you and they disclose all the terms of the partnership.

10. Things you will do, or not do

We are relying on your agreement to do, or to not do, certain things, as set out in the Bank Documents. This applies for as long as you have a Facility or otherwise owe us any money.

You will:

- keep your business and financial records in good order;
- not significantly change the nature of your business without our consent;
- maintain insurance for your business, assets and premises for a reasonable amount. You will take out more insurance if we ask you to; and
- if you have granted us a Security to secure the performance of your obligations under this Agreement, you will not transfer or deal with your interest in relation to the property that is the subject of that Security without our consent;
- let us know urgently if you become aware of a Default or if you think one is reasonably likely to occur, or if anything happens which means that any of the promises in clause 9 becomes untrue.

10.1 Trustees

If you enter into a Bank Document as a trustee you will:

- give us copies of all of the trust documents we ask for;
- when we ask, exercise your right to be indemnified out of the trust assets to satisfy any liabilities under the Bank Documents; and
- comply with the terms of the trust and ensure that your rights as trustee have priority over the beneficiaries' interests.

You agree not to do any of the following without our written consent:

- end the trust, or distribute trust assets;
- change the trust terms;
- change the trustee of the trust;
- allow a Security Interest to exist over any trust asset;
- (if the trust is a unit trust) issue units to any person who is not a unit holder on the date of your Business Letter of Offer.

10.2 Partnerships

If you enter into a Bank Document as a partner of a partnership, you must make sure that:

- each partner complies with its obligations as a partner of the partnership;
- the partnership's records are in good order;
- you obtain our written consent before:
 - any changes are made to the partners or the terms of the partnership;
 - the partnership is terminated, or its property distributed;
 - taking action which could make it harder for a partner to comply with a Bank Document; or
 - mixing partnership assets with other assets.

10.3 Self-managed superannuation funds

If you are a trustee of a self-managed superannuation fund regulated under the Superannuation Laws, you need to comply with those laws.

If you wish to use a Facility to buy an asset, you will need to sign and comply with the terms of a Superannuation Deed in a form acceptable to us.

Our recourse to your fund will be limited in accordance with the terms of the Superannuation Deed. Please note that the terms of the Superannuation Deed prevail over any inconsistent term in another Bank Document.

Due to the requirements of the Superannuation Laws, despite any other term in a Bank Document you must not redraw any amount you repay under a Facility. The reasons you must not redraw include that your superannuation fund may not comply with the Superannuation Laws if a redraw occurs and there may also be adverse tax consequences for your superannuation fund. We recommend you seek your own independent taxation, legal and financial advice.

If you have used a Facility to buy an asset, you agree to not overdraw your accounts and to pay, or direct your security trustee to pay, us any proceeds received:

- from any insurance claim relating to the asset, before repaying the Facility Amount Owing; and
- if the asset is compulsorily acquired, sold or otherwise disposed of, immediately following receipt.

10.4 Co-operation

You will promptly give us any document or information we reasonably ask for and do what we reasonably require to give full effect to the Bank Documents.

10.5 What if you don't comply with your promises?

Even if you are not in Default at the time, if you or a Security Provider don't comply with promises or other obligations in a Bank Document, we may contact you and invite you to discuss your situation with us and the options available to assist you to meet your obligations.

If we determine a failure to comply is continuing, and is reasonably likely to have a significant negative impact on:

- you or a Guarantor being able to make any payment due under a Bank Document; or
- our credit or security risk (or our ability to assess these) – for example, our ability to recover any Facility Amount Owing or the value of any Security; or
- our legal or reputation risk, we may review your Facilities.

You must give us all information, documents, consents and assistance we reasonably require in connection with a review. See clause 4.3 for examples of information and documents we may request in connection with a review.

If you are not a Small Business and this is not a Small Business Contract, as a result of a review we may notify you that:

- we are making a change to your Facility in accordance with clause 14;
- we would like you and any Security Provider to agree to other changes to a Bank Document or to enter into a new document with us. (A failure to agree to a change or to enter into a new document with us may lead to us no longer wishing to continue the Facilities); or
- we no longer wish to continue the Facilities, in which case you will need to pay us the Facility Amount Owing within 90 days (or such later date we advise you).

Any review does not affect our rights if later you are in Default.

11. Default

Defaults are events or circumstances (sometimes outside your control) which may impact upon your or a Guarantor's ability to meet their respective obligations under a Bank Document, or which are outside our credit policies.

There are two types of Default, and each has different consequences and timeframes before we may become entitled to take Enforcement Action:

- a Payment Default – see clause 11.1; and
- specific events of non-monetary default (referred to as Adverse Events) – see clause 11.2.

11.1 Payment Defaults and consequences

What is a Payment Default?

A Payment Default occurs if you don't meet all your payment obligations under this Agreement, including those in clause 5.

What are the consequences of a Payment Default?

If a Payment Default occurs you are in Default, but we will normally give you a notice that a Payment Default has occurred allowing at least 30 days (or 7 days if you are not a Small Business and this is not a Small Business Contract) to remedy it.

However, we may give you a shorter notice period, or no notice if:

- it is reasonable for us to do so to manage a material and immediate risk relating to the nature of the Payment Default, your particular circumstances, or the value of the Security; or
- you or a Guarantor is Insolvent or no longer has legal capacity.

We can immediately take any or all of the Enforcement Actions listed in clause 11.4 where:

- a Payment Default is not remedied within the required notice period set out in any notice given under this clause (or within any longer period we allow); or

- we are not required to give a notice; or
- clause 11.3 applies.

11.2 Adverse Events and consequences

What is an Adverse Event?

An Adverse Event occurs if any of the following occurs (whether or not within your control):

- ***Insolvency:***
 - you are Insolvent;
 - a Guarantor is Insolvent;
- ***Loss of capacity:*** you or any Guarantor no longer has legal capacity;
- ***Creditor enforcement:*** enforcement proceedings are taken against you or a Guarantor, or your or their assets, by another creditor;
- ***Cross default:***
 - early repayment is required under a separate financing arrangement you or a Guarantor has with us;
 - a legal or contractual right is exercised by us under a separate financing agreement against you or a Guarantor, due to an event of default which is of the same kind as a Default in this Agreement; or
 - if you are not a Small Business and this is not a Small Business Contract, you are, or any Guarantor is, in default (however described) under any Security or other document, agreement or arrangement with us;
- ***Breach of law:*** we believe, on reasonable grounds, that you or a Guarantor have not complied with the law or any requirement of a statutory authority, or it becomes unlawful for you or us to continue with a Facility;
- ***Misrepresentation:*** you or a Guarantor gives us information or makes a representation or warranty to us (including any promise made under any Bank Documents) which is materially incorrect or misleading (including by omission);
- ***Improper use of Facility:*** you use a Facility for a purpose not approved by us;
- ***Improper dealings with assets:*** without our consent, your assets or a Guarantor's assets are dealt with, or attempted to be dealt with in breach of this Agreement, any Security or any other agreement with us;
- ***Failure to provide financial information:*** you or a Guarantor do not provide financial information required by any Bank Documents;
- ***Failure to maintain licence or permit:*** you or a Guarantor do not maintain a licence or permit necessary to conduct your respective businesses;
- ***Failure to maintain insurance:*** you or a Guarantor do not maintain insurance required by any Bank Documents. This includes, for example, where the insurance becomes unenforceable because of any action or inaction by you;
- ***Change of control:*** without our consent, there is a change in the legal or beneficial ownership, or management control of you or a Guarantor, or of your or a Guarantor's business;
- ***Change of status, capacity or composition:*** without our consent, there is a change in the status, capacity or composition of you or a Guarantor; and
- ***Specialised Facilities and Financial Covenants:*** if (a) you have a Specialised Facility, or (b) you are not a Small Business and this is not a Small Business Contract:
 - any 'Financial Covenant' specified in this Agreement is not complied with; or
 - an event or circumstance specified in this Agreement as an 'Adverse Event' occurs.

If you are not a Small Business, then references to "Guarantor" above are read as references to "Security Provider".

What are the consequences of an Adverse Event?

If an Adverse Event occurs, then you are in Default.

You must promptly give us any information we reasonably ask for concerning an Adverse Event.

If an Adverse Event has occurred which by its nature is material, or we reasonably consider has had, or is likely to have a significant negative impact on:

- you or a Guarantor being able to make any payment due to us under any Bank Document;
- our security risk (or our ability to assess this) – for example, the value of any Security; or
- our legal or reputation risk where the Adverse Event is one described above under 'Breach of law', 'Misrepresentation' or 'Improper use of a Facility'.

- then we may issue a notice (“**Adverse Event Notice**”) or in accordance with this clause immediately take any or all of the Enforcement Actions listed in clause 11.4.

An Adverse Event Notice will set out the grounds on which we consider there is an Adverse Event and allow you at least 30 days to remedy the Adverse Event (if it can be remedied) or to submit to us a plan to resolve the Adverse Event to our reasonable satisfaction.

If, after the period specified in the Adverse Event Notice:

- the Adverse Event has not been remedied to our reasonable satisfaction; or
- your plan to resolve the Adverse Event was not reasonably satisfactory to us,

then we may give you a further notice that the Adverse Event has not been remedied and allowing at least 7 days (or a longer period required by law) to remedy the Adverse Event.

However, we may give you shorter notice periods than those described above or no notices in relation to an Adverse Event where:

- it is reasonable for us to do so to manage a material and immediate risk relating to the nature of the relevant Adverse Event, your particular circumstances or the value of the Security, for example, if we became aware that you were attempting to sell any assets or property secured under a Security contrary to the terms of a Bank Document; or
- you or a Guarantor is Insolvent or no longer has legal capacity.

We can immediately take any or all of the Enforcement Actions listed in clause 11.4 where:

- we give a notice under this clause and an Adverse Event is not remedied within the required notice period set out in the notice given, if any (or within any longer period we allow); or
- we are not required to give a notice.

If we are not entitled to take any of the Enforcement Actions listed in clause 11.4, then we may ask for further information and we may review your Facilities in accordance with clause 10.5.

11.3 What if another Payment Default occurs during a remedy notice period?

Even if you remedy a Payment Default during the applicable remedy period specified in a notice, we may still take Enforcement Action if during the notice period another Payment Default has occurred and that further overdue amount is not also paid during the notice period.

11.4 Enforcement Actions

After any applicable steps and time periods described above, when you are in Default and we are permitted by law we can take any or all of the following actions (each an “Enforcement Action”):

- by notice to you, make any Facility Amount Owing immediately due and payable without the need to give any further notice other than as required by law;
- by notice to you, cancel the Facilities with immediate effect;
- by notice to you, cancel or reduce all or any part of a Facility Limit (or if applicable, a component limit) with immediate effect;
- close out any treasury transactions we have entered into in relation to a Facility (such as hedging, money market or currency transactions) and set-off any resulting amounts we owe you against any Facility Amount Owing;
- continue to charge interest at the applicable interest rate or otherwise in accordance with clause 7.4 on any overdue amounts (including interest);
- at our discretion, apply amounts we receive in respect of any Facility Amount Owing to any part of the Facility Amount Owing which you are then obliged to pay. We may do so even if you ask or direct us otherwise, but we will act reasonably in the circumstances and in accordance with the law;
- sue you for any Facility Amount Owing; and
- enforce any Security.

The order in which we enforce any Security may be affected by the Banking Code. For example we may be required to take enforcement action under a Security provided by a Borrower before we take enforcement action under a Security provided by a Guarantor.

11.5 Concurrent notices

We, or an External Administrator, may give you any other notice that is required by law in connection with enforcing a Security Interest at the same time as we give you a notice under this clause 11.

11.6 Appointment of consultants

We may appoint a consultant at any time to investigate and report to us on your or a Guarantor's business, and on compliance of any party with the Bank Documents.

If, based on what we know or suspect, we form a reasonable view that a Default exists or is likely to exist in future you will, if we ask, pay our reasonable Costs in relation to the consultant, or appoint a consultant we nominate or approve on terms acceptable to us. We can charge all related Costs that you have to pay to any of your accounts.

You will help us and the consultant as soon as you are asked to after we give you reasonable notice.

Where you have paid the Costs of the consultant, we will (unless the consultant is a lawyer) give you a copy of our instructions to the consultant and extracts of their report in accordance with industry guidelines published by the Australian Bankers Association Inc.

Investigated parties are not required to adopt any recommendation, but if they do we are not responsible for it.

11.7 Set-off and combining your accounts

We may at any time:

- combine and amalgamate any two or more accounts held by you (or an account conducted by us in your name) with us;
- set off or transfer any credit balance on any such account towards satisfaction of any amounts due and owing by you to us (whether alone or with any other person); and
- do anything reasonably necessary to enable us to do this, such as converting currency using our exchange rate.

However, if you are a Small Business or this is a Small Business Contract, we will not exercise these rights unless either we give you notice or there is a Default. Otherwise, we will notify you after exercising these rights.

11.8 Overdraft or on-demand facility

If you have an overdraft or other on-demand facility (such as a commercial cards facility), we can require repayment of that on-demand facility at any time, whether or not there is a Default, in accordance with the relevant terms and conditions that apply to that overdraft or other on-demand facility.

If you do not repay an on-demand facility by the date that we ask you to repay, that will be a Payment Default under any other Facilities that you have with us. However, we will comply with clause 11.1 for that Payment Default.

12. Change in law, and delaying, freezing, suspending, blocking or refusing transactions or services

12.1 Consequences of a change in law

If the law changes and we reasonably believe that it will be against the law for us to provide or continue to provide a Facility to you, we will:

- let you know as soon as we can; and
- work with you to ensure the law is being complied with.

If we are required by law to ask you to pay back some or all of the amounts you owe us we will give you as much notice as the law allows.

12.2 Increased costs or reduced amounts received

If any law or prudential standards, policies or requirements applying to us changes and we reasonably believe that there will be:

- a material increase in the cost to us of providing or maintaining the Facilities; or
- a material reduction in the effective return or amount we are able to receive in relation to a Facility, then we will let you know as soon as we can and try to eliminate or reduce the amount of the adverse impact on us.

To the extent that we cannot eliminate or reduce the amount of the adverse impact you must compensate us for that amount.

12.3 Delaying, freezing, suspending, blocking or refusing transactions or services

You must comply, and must ensure each Security Provider complies, with all relevant requirements of the law of Australia or another country.

We may take, or avoid taking, any action (for example, we may delay, freeze, suspend, block or refuse to process any payments or other transactions or your access to our services) where reasonably necessary to:

- Prevent an anticipated breach of any relevant law of Australia or another country (including any sanctions);

- manage any risk;
- protect you or us or any other person from potentially fraudulent activity or a scam, or anticipated material losses to you or us arising from the misuse or unauthorised use of the Facility or our services (but it may not be possible for us to detect and prevent all such transactions); or
- avoid risk of a fine being imposed on, or any other regulatory action being taken against, us, any of our subsidiaries, any body corporate that is directly or indirectly related to us, or any entity with whom we have entered into arrangements in connection with any services provided under the Facilities.

We may exercise our rights for as long as is reasonably necessary to manage any risks. We may not give you advance notice (for example if it is reasonably necessary for us to act quickly to manage a risk) and sometimes we are not able to explain all of the circumstances to you. If we do not give you advance notice, and where it is reasonable to do so, we will advise you within a reasonable time of exercising our discretion under this clause.

12.4 Regulatory events

From time to time, our ability to provide the Facilities to you may be interrupted, prevented, delayed or otherwise adversely affected by regulatory events such as the application of anti-money laundering or counter-terrorism financing laws or sanctions, changes in law or prudential standards, policies or requirements applying to us, or by the actions of a regulatory authority.

If you are affected by, or suffer a loss due to a regulatory event, we, our subsidiaries and related bodies corporate are not liable and are not required to challenge or mitigate the effect of the regulatory event on you or on us.

If we are liable, our liability is limited to re-supplying the Facilities to the extent that we are able to and are allowed to by law.

You agree that we can share information with other financial institutions and regulatory authorities about you, the Facilities, a regulatory event or another person connected with any of them.

If we ask, you agree to promptly provide us with any document or information about yourself, the Facilities or any person connected with you or the Facilities and to help us manage risk, comply with our obligations or obtain any consent we need.

13. Our security

13.1 Valuations

At any time we reasonably require we may instruct a valuer to value any Security and any property that is the subject of any Security. A valuation may be obtained in order to assess:

- the value of assets the subject of a Security or proposed Security;
- our credit and security position for existing or prospective Facilities; or
- compliance with Financial Covenants (where applicable) or any other conditions in this Agreement, or
- for any other purpose we tell you about.

You agree to:

- co-operate with the valuer's reasonable requests;
- pay when asked any fees and charges in connection with the valuation; and
- comply with every reasonable request to provide assistance to the valuer including providing authorisations, relevant information, records, access to individuals, premises and business equipment used in the conduct of your business.

Unless we have commenced enforcement proceedings (as defined in the Banking Code), where you are a Small Business (or an individual Guarantor of a Small Business) or this is a Small Business Contract and we have received a valuation of a commercial or agricultural real property which you have paid (or reimbursed us), we will:

- provide you with a copy of that valuation and the instruction to our valuer (provided you accept our reasonable limitations on your use of the valuation before we provide it to you); and
- give you the benefit of any additional rights you have under the Banking Code to receive valuation information from us.

You must not rely in any way on the valuation report, as its sole purpose is for use by us in assessing the value of the relevant property for security purposes.

13.2 Protecting our security position

If we think that a PPS Law:

- applies or will apply to, or in connection with, a Bank Document; and
- does, or may adversely affect our security position, our rights or obligations in connection with a Bank Document,

we may ask you and you will help us immediately at any time including by:

- providing us with all information we request and taking all actions to help us perfect the Security; and
- amending any Bank Document or executing any new Bank Document,

to continuously, or as and when we require you to, perfect any Security so it has priority and protection from loss, termination and diminution.

13.3 Personal property security policies and steps

You will promptly take all reasonable steps which are prudent for your business in connection with the PPS Law, such as registering any Security Interests you receive in the ordinary course of your business. Where appropriate or when we ask you to, you will identify, protect and achieve the highest priority reasonably available for your Security Interests.

13.4 Change of details

You must notify us in writing at least 14 days before:

- you or any Security Provider, trust or partnership changes its name;
- any ABN, ACN, ARBN or ARSN allocated to you or any Security Provider, trust or partnership changes, is cancelled or ceases to apply to it (or if it does not have an ABN, ARBN or ARSN, one is allocated, or otherwise starts to apply to it); or
- you or any Security Provider becomes trustee of a trust, or a partner of a partnership not stated in your Business Letter of Offer.

13.5 PPS Law waiver

You waive, to the extent permitted under the PPS Law, your right to receive any notices we are required to give under the PPS Law.

13.6 PPS Law disclosure

You agree not to disclose or authorise the disclosure to any person any information of the kind described in section 275(1) of the PPS Law or to waive your duty of confidence to us.

14. Changes we may make

We may need to make changes to your Facilities from time to time. We may make some changes without your consent, some changes occur automatically and some changes require your agreement. We promise to act reasonably when we make any changes.

14.1 Types of changes we may make

We may, acting reasonably, make the following types of changes without your consent:

- introduce a new fee, charge or premium;
- change the amount of a fee, charge or premium, how it is calculated or when it is charged;
- change a rate (other than a fixed rate) including by changing or replacing the relevant indicator rate or a component used in determining a rate, or by changing, adding or removing a margin (including by making a margin positive or negative);
- change your repayment obligations, including the amount of or timing for any repayment (including, for example, by extending the Facility Expiry Date), or your repayment type;
- change the frequency with which interest is debited or credited;
- changes that we reasonably consider are beneficial to you or reduce your obligations;
- if a product or service has been discontinued, changes to provide you with a product or service which is substantially similar to the discontinued product or service;
- an administrative or minor change, or a change to correct a mistake, inconsistency, ambiguity or omission; and
- make necessary changes due to a change in law, to comply with our prudential or regulatory obligations as a bank, or as required by (or to provide you with the benefit of changes to) the Banking Code.

Any other changes to a Bank Document will need your agreement.

14.2 When we will notify you of changes we make

We will give you at least 30 days' notice of a change we make, except as follows:

- If we change an interest rate, including any indicator rate, we will comply with the notice requirements in the Banking Code and tell you as soon as reasonably possible, but no later than the date of the change – unless we are not able to because the interest rate is calculated according to a money market or other external reference rate, or a rate otherwise designated as a variable or floating rate.
- If we reasonably consider a change (other than a change to interest rates or repayments) will be unfavourable to you and the same change is not being made to similar facilities of our other small business customers, we will give you at least 90 days' prior written notice of the change (however, we may give you a shorter notice period, if it is reasonable for us to manage a material and immediate risk).
- If there is a change to, or introduction of a government charge that you pay under your Facility, we will tell you about it reasonably promptly (however, we do not have to notify you if it is publicised by the government).
- If there is a change that reduces your obligations (for example, a reduction in a rate or fee) or which we reasonably consider will not be unfavourable to you (for example, an extension of your Facility Expiry Date), we may give you a shorter notice period, or no notice period, if not inconsistent with the Banking Code. However, we will give particulars of any such change as soon as reasonably possible, even if this is after the change takes effect.
- If there is a change to provide you with a product or service which is substantially similar to a discontinued product or service, we will give you at least 90 days' prior written notice of the change (however, we may give you a shorter notice period, if it is reasonable for us to manage a material and immediate risk).
- We will notify you if we change your repayment amounts and if we do so we will give you notice as soon as reasonably possible. However a change in repayment amounts as a result of an increase in a variable rate may not happen immediately, but will generally occur up to 12 months after a variable rate increase.

Until that happens, your total repayment amount will not change, but the breakdown of your interest and principal repayments will – the portion of your repayment amount allocated to paying down your principal will go down (and you will pay more interest).

Unless you ask us or the Specific Conditions say otherwise, we will not change your repayments if a variable rate goes down. This means that the portion of your repayment amount allocated to paying down your principal will go up (and you will pay less interest).

If you require more information about your repayments, or want to change your total repayment amount (for example, if you want to increase your repayment amount so that you are paying the same amount of principal when interest rates go up or decrease your repayments when interest rates go down), please contact us.

14.3 How we will tell you about changes we make

We will notify you of changes we make by one or more of the following methods:

- by advertising in national or local media;
- by giving you written notice (this includes printed or electronic communications such as app notifications, emails, publishing the notice on our website or another platform and directing you to the notice); or
- notifying you in any other way that is permitted by law.

14.4 What you can do if you don't like a change

If you don't agree with a change we make or are proposing to make, you may terminate the Facilities by notifying us in writing and repaying us each Facility Amount Owed. Economic Costs may be payable (see clause 15).

15. Economic Costs and benefits

An 'Economic Event' occurs if all or part of a Facility is being re-priced by agreement, or becomes payable or is cancelled, repaid or discharged early for any reason (including following a Default).

There are no early termination fees on your Facilities under this Business Letter of Offer. However, if an Economic Event occurs, we may need to liquidate funds or deposits or terminate, reverse or vary an agreement, arrangement or transaction we entered into to hedge, fix or limit our effective cost of funding or maintaining all or part of a Facility. In that case, we will determine and advise you of any resulting Economic Costs to us, or whether there is a benefit to you of any net amount of returns and gains obtained by us, including because of any changes in rates applicable to a Facility (all other things being equal).

You must pay us the amount of any advised Economic Costs, and if applicable to your Facility, we will pay you the amount of any net returns and gains we obtain.

Please note that the amount of Economic Costs you may need to pay following an Economic Event can be significant, and will increase the Facility Amount Owning. Please contact us if you are considering early repayment of a Facility and would like an estimate of the Economic Costs.

17. Interpretation, assignment and confidentiality

17.1 How this document is to be understood

We have tried to make the Bank Documents fair and reasonable. However, if any law applies to make part of a Bank Document inoperative then the intention is for it to be interpreted in a way which preserves as much of the Bank Document and its operative effect as the law allows.

17.2 Applicable law

Any court cases involving this document can be held in the courts of any state or territory of Australia with jurisdiction to consider matters related to this document. You and we submit to the non-exclusive jurisdiction of the courts of that place.

When you sign your Business Letter of Offer, if the laws of the State or Territory where you are resident (or if you are not an individual, where your business is located) include mandatory protections that are available to you (including because you are a small business or an individual), then this clause does not operate to exclude those protections.

17.3 Assignment

We may, acting reasonably, assign or otherwise deal with our rights under the Bank Documents having regard to our legitimate business interests. You agree to help us including by signing any document or providing consent. We may disclose any information or document to do so. You cannot assign your rights under the Bank Documents without our prior written consent.

17.4 Confidentiality

- to our respective officers, employees, legal and other advisers and auditors;
- to an External Administrator;
- to third parties with the consent of the other party (such consent not to be unreasonably withheld);
- if required by the rules of any relevant financial market or if allowed or required by law; or
- if there is a regulatory event (as described in clause 12).

We may also disclose that information:

- if we are assigning or otherwise dealing with our interest under any of the Bank Documents or proposing to do so;
- to register or maintain our Security;
- to enforce our rights under any of the Bank Documents; or
- to any Security Provider (or to a person we reasonably believe may become a Security Provider), but on the same confidential basis set out above.

17.5 Law and legislation

Unless the context requires otherwise, a reference in the Bank Documents to legislation or other law or a provision of them includes regulations and other instruments under them, and any consolidation, amendment, re-enactment or replacement.

17.6 Exercising rights and discretions

We can take a range of things into account when exercising our rights and discretions under these terms. These can include:

- our legal obligations, industry codes and payment scheme rules and the expectations of our regulators;
- protecting our customers, staff and systems and the personal information we hold;
- what you have told us about yourself and how you will use our products and services (including if it's misleading, incorrect or you haven't provided us with all of the information we reasonably need when asked);
- how our products and services are intended to be used (and how you have used them);
- our public statements, including those relating to protecting vulnerable persons, the environment or sustainability;
