We've made it easier and faster to review Equipment Finance loan documents

How to Review Documents

Open the email from "DocuSign" sent to your nominated email address.

Enter the DocuSign URL into your web browser. You may copy & paste it.

Enter the Unique Security Code into the 'Security Code' box on the DocuSign Page. You may copy & paste it.

Initiate SMS authentication by clicking on "Send SMS". Your nominated mobile number will be shown on the page. If you wish to change this, contact your NAB broker team.

Enter SMS code into the DocuSign page and click on "Confirm Code"

Click on "I Agree" to agree to review and accept documents electronically.

Review documents to confirm all the details are correct. If you wish to discuss or change these details, contact your NAB Broker team. Alternatively, you can "Decline" and provide a reason.

If you are happy with the documents, complete all actions and click on "Approve".

Documents are available for download on DocuSign for 120 days from the day they were sent. You can access these documents via the original email from DocuSign.
