Any such request shall nominate the name of the intended **cardholder**, specify the **credit limit** to apply to such **card** and shall be signed in accordance with the Commercial Cards – Add a Cardholder Form.
- (b) **NAB** reserves the right in its reasonable discretion to decline or to accept any request made by the **Customer** pursuant to 2(a).
- (c) **NAB** may temporarily block the **use** of a **card** where it reasonably suspects unauthorised or unlawful activity on a **card**. **NAB** will endeavour to contact the **Customer** or **cardholder** in this event.
- (d) The **Customer** is responsible for the security of any **card** issued to the **Customer** or any **cardholder**. Any **card** issued to the **Customer** or any **cardholder** is for the respective **cardholder's** use only. The **Customer** is responsible for keeping any **card** in a safe place and providing protection for the **card** from theft and misuse.

3 The Facility

- (a) The first **use** of the **account** or a **card** issued under the **Facility** to access credit or for any

other purpose will be taken as the **Customer's** acceptance of **NAB's** offer to provide the **Facility** on the basis that it is subject to these Terms and Conditions.

- (b) The **Facility** enables a **cardholder** as agent of the **Customer** to operate the **account**.
- (c) Each **card** provided to a **cardholder** shall be subject to **Conditions of Use** provided with the **card** to the **cardholder**. The **Customer** agrees to be bound by, and undertakes to ensure that each **cardholder** complies with, the **Conditions of Use** provided to the **Customer** with these Terms and Conditions and as those **Conditions of Use** are amended by **NAB** from time to time.
- (d) Each **cardholder** may apply to **use** their **card** in **NAB's electronic banking facilities** without the need for the **Customer** to consent.

Upon receipt of the **card** or Card Account Details (as defined in the **Conditions of Use** for Electronic Banking (card-based)), whichever is received first, the **use** of the **card** and Card Account Details will be subject to the **Conditions of Use** for Electronic Banking (card-based). However, 6.5 and the guidelines on security in 6.6 in the **Conditions of Use** for Electronic Banking (card-based) apply immediately upon receipt of the Personal Identification Number ('PIN').

The **Customer** agrees to be bound by and undertakes to ensure that each **cardholder** complies with the Conditions of Use for Electronic Banking (card-based). The **Customer** acknowledges receiving a copy of the **Conditions of Use** for Electronic Banking (card-based) and understands that 1.5 of the Conditions of Use for Electronic Banking (card-based) provides that it is the **Customer's** obligation to ensure that each **cardholder** is provided with a copy of the **Conditions of Use** for Electronic Banking (card-based). In the event of a conflict between the **Conditions of Use** and the **Conditions of Use** for Electronic Banking (card-based), the **Conditions of Use** for Electronic Banking (card-based) shall prevail. For the purposes of 2.1 of the **Conditions of Use** for Electronic Banking (card-based), the **cardholder** may nominate the **account** together with any cheque or savings or other acceptable account which the **cardholder** is solely authorised by **NAB** to operate.

4 Facility limit and credit limits

- (a) The **facility limit** is the amount determined by **NAB** from time to time. The initial **facility limit** is advised to the **Customer** when **NAB** offers the **Facility** to the **Customer**.
- (b) The **Customer** must ensure that:
 - (i) the outstanding balance of the **account** does not exceed the **facility limit** without the prior approval of **NAB**; and
 - (ii) the **credit limit** applicable to a **card** is not exceeded.
- (c) Each **card** issued under the **Facility** may, subject to approval by **NAB**, have a **credit limit** up to the **facility limit**.
- (d) Where the aggregate credit limit of all **cards** issued under the **Facility** and approved by **NAB** exceeds the **facility limit**, the amount of credit available on a **card** at any time will be limited to the available credit in the **account** or the amount of credit available on the **card** at that time, whichever is less. This may result in transactions being declined even though the **credit limit** on a **card** is not fully utilised, as the aggregate outstanding balance of the **account** at any time must not exceed the **facility limit**.
- (e) Subject to 8(a)(viii), any **overlimit amount** is immediately due and payable by the **Customer**.
- (f) The **Customer** may apply to **NAB** in writing to vary:
 - (i) the **facility limit**; or
 - (ii) the **credit limit** applicable to any **card** authorised to operate the **account**.

NAB will advise the **Customer** whether it has approved the application and from when the variation takes effect. **NAB** may reduce the **facility limit** or **credit limit** on a **card** at any time without the **Customer's** consent. Examples of when **NAB** may do this include where the **Customer** is in default, where **NAB** believes on reasonable grounds the **facility limit** is more than the **Customer** can service without financial difficulty and where the account is inactive. These examples are for guidance only and do not limit the ability of **NAB** to reduce the **facility limit** or **credit limit**. Unless the **Customer** is in default, **NAB** will give

the **Customer** notice as soon as practicable after it does so. If the **Customer** is unhappy with the reduced **facility limit** or **credit limit**, the **Customer** can terminate their credit contract by paying **NAB** the balance of the **account**, together with all applicable fees, charges and interest.

5 Customer liability

- (a) Subject to 11.2, the **Customer** is liable for all credit extended by **NAB** on the **account** (and any applicable interest charges or other charges including government fees, duties and charges) arising from any **use** of the **account** or a **card** by a **cardholder** and whether the amount of such credit is in excess of the **credit limit** applicable to the **card** or of the **facility limit**.
- (b) 5(a) applies regardless of whether any transaction on the **account** may have arisen as a result of the actions of any **cardholder** without the authority of the **Customer**. To remove any doubt, this includes any **cash advance** by a **cardholder** when the **cardholder** had not been authorised by the **Customer** to **use** the **card** for **cash advances**. 5(a) also applies whether the **card** has been used in breach of any term or condition contained in this **Facility** (including the **Conditions of Use** and, if applicable, the **Conditions of Use** for Electronic Banking (card-based)), including without limitation any refusal by any **cardholder** to return any **card** after the **Customer** has taken all reasonable steps to have the **card** returned to **NAB**, or whether statements of **account** in respect of the **account** are addressed to the **cardholder** or the **Customer**, or a **person** nominated by the **Customer**.
- (c) The **Customer** agrees that amounts shown on the relevant sales voucher or cash advance voucher or any other transaction evidence will be checked before a voucher or transaction record is signed or a PIN is entered. **NAB** relies on the **cardholder's** signature on a voucher or transaction record or the entry of a PIN as authority to debit the amount shown.
- (d) Where the **Customer** is more than one party, the liability of each such party under the **Facility** shall be joint and several.

- (e) A **card** must not be **used** for any unlawful purpose, including the purchase of goods or services, prohibited by local law in the **cardholder's** jurisdiction.

6 International transactions

For the purposes of 6, “International transactions” are transactions where the merchant, financial institution or entity processing the transaction is located outside Australia. These transactions are either:

‘single currency’ or **‘multi currency’** international transactions

- a **‘single currency international transaction’** is where the transaction is made in Australian dollars (AUD)
- a **‘multi currency international transaction’** is where the transaction is made in a currency other than Australian dollars (AUD)

The way international transactions are processed and appear on your statement of account depends on the relevant credit card scheme and the type of transaction.

Single currency international transactions – MasterCard and Visa

By the cardholder’s agreement with the merchant, purchases are converted to Australian dollars (AUD) by the merchant at the point of sale using exchange rates provided by a third party.

A **NAB** International Transaction Fee, described in the Offer Letter, is charged to the cardholder in accordance with 14. This fee includes a fee charged by the credit card scheme to **NAB** (and on charged by **NAB** to the Customer), calculated on the Australian dollar amount.

Should the cardholder request a refund of the transaction the merchant will convert a refund using exchange rates applicable at the date the refund is processed. This means the refund may be converted using a different exchange rate to the one used for the original purchase.

Multi currency international transactions – MasterCard and Visa

This table below describes how purchases, cash advances, refunds and other charges incurred at the time of the

transaction in currencies other than Australian dollars (AUD) are converted to AUD by each credit card scheme.

The converted AUD amount appears on the statement of account as the transaction amount.

A **NAB** International Transaction Fee, described in the Offer Letter, is charged in accordance with 14 for purchases and cash advances. For MasterCard and Visa transactions, this fee includes a fee charged by the credit card scheme to **NAB** (and on charged by **NAB** to the Customer), calculated on the converted Australian dollar amount.

Visa	Transactions incurred in currencies other than AUD are converted to AUD. The conversion rate is either: <ul style="list-style-type: none">• Selected by Visa from the range of rates available in wholesale currency markets for the applicable processing date. Note: This rate may vary from the rate Visa receives.• Mandated by a government or governing body and in effect for the applicable processing date.
MasterCard	Transactions incurred in currencies other than AUD are converted to AUD. The conversion rate used is a government-mandated exchange rate or a wholesale exchange rate obtained by MasterCard from a range of international currency providers.

Note: Refunds incurred in currencies other than AUD are converted to AUD by the credit card schemes using exchange rates applicable at the date of processing by the credit card scheme. This means the refund may be converted using a different exchange rate to the one used for the original purchase.

7 Statements of accounts

- (a) **NAB** will provide a monthly statement of **account** in respect of the account expressed in Australian currency unless:

- (i) no amount has been debited or credited to the **account** during the **statement period** and the amount outstanding is zero or below \$10.00;
 - (ii) **NAB** wrote off the balance of the **account** during the **statement period** and no further amount has been debited or credited to the **account** during the **statement period**;
 - (iii) enforcement proceedings have been commenced by **NAB**; or
 - (iv) the **Customer** is in default under the **Facility**.
- (b) Statements of **account** will be forwarded to the address or other service nominated by the **Customer** for receipt of statements.

10 Interest charges

NAB Rewards Business Signature Card Facility, NAB Rewards Business Platinum Card Facility, NAB Qantas Business Signature Card Facility, NAB Qantas Business Card Facility and NAB Low Rate Card Facility

Cash advance

For the purpose of 10(a), any reference to 'the date assigned to the **cash advance**' means either:

- the date on which the **cash advance** was made; or
 - the **opening date** shown on the statement of account on which the **cash advance** was itemised, whichever is the later.
- (a) (i) interest charges will be calculated on a **cash advance** by applying the **daily percentage rate** for **cash advances** to the aggregated balance. The aggregated balance is calculated by adding together the daily unpaid balance of the **cash advance** for each day from and including the date assigned to the **cash advance** until and excluding the date the **cash advance** is repaid in full.

- (ii) interest charges will be debited on the **closing date** for each **statement period**, and will be calculated from and including the **opening date** up to and including that **closing date**. The **annual percentage rate** for **designated cash advances** under a **special promotion** may differ to the **annual percentage rate** for other **cash advances**.

Purchase

For the purpose of 10(b), any reference to ‘the date assigned to the **purchase**’ means either:

- the date on which the **purchase** was made; or
- the **opening date** shown on the statement of **account** on which the **purchase** was itemised, whichever is the later.

(b) (i) Interest-free purchases

No interest charges will be charged on a **purchase** if the **closing balance** for:

- the statement of **account** on which the **purchase** was itemised; and
- the previous statement of **account**;

are paid in full by the **due date** shown on the respective statements of **account**.

(ii) **Purchases** on which interest charges are charged

If (i) is not applicable, then a **purchase** will be liable for interest charges which will be calculated by applying the **daily percentage rate** for **purchases** to the aggregated balance. The aggregated balance is calculated by adding together the daily unpaid balance of the **purchase** for each day from and including the date assigned to the **purchase** until and excluding the date the **purchase** is repaid in full.

If the **closing balance** on the last statement of **account** before the statement of **account** on which the **purchase** was itemised was not paid in full by its **due date**, interest charges on the **purchase** will first be debited to the **account** on the **closing date** of the **statement period** in which the **purchase** was debited.

Otherwise, interest charges on the **purchase** will first be debited to the **account** on the **closing date** of the **statement period** after the **statement period** in which the **purchase** was debited. In either case, interest charges on the **purchase** will continue to be debited on the **closing date** for each subsequent **statement period** until the **purchase** is repaid in full. Interest charges will be calculated from and including the **opening date** up to and including the **closing date** for the **statement period**.

The interest charges will be calculated up to and including the day on which they are debited. The **annual percentage rate** for **designated purchases** under a **special promotion** may differ to the **annual percentage rate** for other **purchases**.

NAB Business Card Facility.

Interest rate:

- (c) The current interest rate is advised in the **Offer Letter** and is subject to change under 19.

Interest calculation:

- (d) Interest will be calculated on a **cash advance** by applying the **daily percentage rate** for **cash advances** to the aggregated balance. The aggregated balance is calculated by adding together the daily unpaid balance of the **cash advances** for each day from and including the date assigned to the **cash advance** until and including the **cycle date**.

Interest charges will be debited to the **account** on that **cycle date**. Payments that are dishonoured are treated by **NAB** as a **cash advance** under 9(b) will attract the **cash advance** interest rate until the amount is paid.

11 Lost/stolen cards

11.1 Notification procedure

If a **card** is lost or stolen the **Customer** must immediately notify **NAB** using the telephone number referred to on the inside leaf of the front cover of these Terms and Conditions, or any other means **NAB** makes available. Where requested, the **Customer** must give **NAB** all the information the **Customer** or any **cardholder** has about how the loss occurred.

11.2 Customer liability

The **Customer** remains liable for any **cash advance** or **purchase** made by any other **person** before the **Customer** notifies **NAB** of the loss or theft up to a maximum of:

- (a) in relation to all the **uses** of the **card** through an **extra facility**
 - (i) the amount determined under the Terms and Conditions for the **extra facility** (if any);
- (b) in relation to all other uses of the **card**
 - (i) a total amount of \$150.

11.3 Despite notifying **NAB** of an event described in 11.1, the **Customer** remains liable for any **cash advance** or **purchase** made by a **cardholder** or any person authorised by a **cardholder**.

12 Disputed transactions

12.1 A disputed transaction may include:

- (a) an unauthorised transaction – a transaction which the **Customer** believes was not authorised by use of the **card** or **account** by a **cardholder**. This includes any unauthorised mail, telephone or Internet orders or any other unauthorised transaction on the **account**.
- (b) general dispute – a transaction which the **Customer** wishes to dispute. This may include a transaction which has been processed to the **account** more than once, or a transaction which was authorised by the use of a **card** or **account** which the **Customer** now wishes to dispute.

Despite notifying **NAB** of a disputed transaction, the **Customer** remains liable for any **cash advance** or **purchase** made by a **cardholder** or any **person** authorised by a **cardholder**.

12.2 Notification procedure

The **Customer** should immediately notify **NAB** of any disputed transaction.

NAB recommends that the **Customer** promptly reads the statement of **account**.

Use the telephone number printed on the statement of **account** to report the disputed transaction. The **Customer** must give **NAB** all the information the **Customer** or any **cardholder** has about how the disputed transaction occurred. **NAB** may require the **Customer** or **cardholder** to confirm details in writing.

12.3 Chargeback rights

Each **card** scheme has a dispute resolution process that is contained in the operating rules of the credit **card** scheme. This process sets out specific circumstances and time frames in which a member of the scheme (eg a bank) can claim a refund in connection with a disputed transaction on a **cardholder's** behalf. This is referred to as a 'chargeback right'.

NAB's ability to investigate any disputed transaction on the **account**, and subsequently process a chargeback, is restricted by the time limits imposed under the operating rules of the applicable **card** scheme.

12.4 Time frames for notifying NAB

The ability of **NAB** to dispute a transaction on the **Customer's** behalf (where a chargeback right exists) may be lost if the **Customer** does not notify **NAB** within the required time frames.

For this reason, it is in the **Customer's** interest to report any disputed transaction to **NAB** immediately and certainly no later than the **due date** shown on the statement of **account**.

Where it can be shown that the **Customer** has unreasonably delayed notifying **NAB**, the **Customer** may be liable for the loss on any disputed transaction.

12.5 Time frames for NAB to process a chargeback right

NAB will only process a chargeback for the **Customer** (where such a right exists) when the **Customer** has notified **NAB** of the disputed transaction within the required time frame, as described in 12.4.

The time frames for **NAB** to process a chargeback (where a chargeback right exists) vary between 30 days and 180 days, depending on the applicable **card** scheme and the type of disputed transaction.

NAB will not accept a refusal of a chargeback by a merchant's **financial institution** unless it is consistent with the applicable card scheme rules.

12.6 Electronic transactions

If the ePayments Code is applicable to a disputed transaction, the time frames as specified in 12.4 may not apply in certain circumstances.

The procedures for resolving disputed electronic transactions are set out in the Terms and Conditions of the **extra facility**.

NAB recommends that the **Customer** notifies **NAB** as soon as possible of any disputed transaction.

13 Government charges

NAB may charge the **Customer**:

- (a) an amount equivalent to government charges and duties on receipts received or withdrawals made or otherwise in connection with the **account**, the amount of which is calculated in accordance with the applicable legislation;
- (b) where for **GST** purposes **NAB** makes a taxable supply to the **Customer**, in addition to any consideration payable by the **Customer** in relation to the **taxable supply** that is not expressly stated to be inclusive of **GST** ('**GST**-exclusive consideration'), an amount calculated by multiplying the **GST**-exclusive consideration by the prevailing **GST** rate.

All such charges and duties will be debited to the **account** on the **closing date** for each **statement period**.

- 13 (a) applies regardless of whether the **facility limit** or the **credit limit** applicable to any **card** is exceeded or that any transaction on the **account** may have arisen as a result of the actions of any **cardholder** without the authority of the **Customer**, or whether the **card** has been used in breach of any Term or Condition applicable to this **Facility** (including the **Conditions of Use**), including without limitation, any refusal by any **cardholder** to return any **card** after being required to do so by **NAB** or the **Customer**.

14 NAB fees and charges

- (a) Details of any initial **NAB** fees and charges applicable to the **Facility** (including any fees and charges applicable to a **card**), shall be advised by **NAB** to the **Customer** at the commencement of the **Facility**.
- (b) **NAB** will be entitled to debit any such fees and charges to the **account** or **Nominated Account** (if applicable), at monthly intervals, or such other intervals as **NAB** may reasonably determine from time to time in accordance with its legitimate business interests, and the **Customer** must pay such fees and charges in accordance with these Terms and Conditions.

15 Annual percentage rate

- (a) **NAB** may at any time vary the **annual percentage rate**, in accordance with 19 (including, without limitation, any applicable indicator rate or any other element of the **annual percentage rate**).
- (b) Where **NAB** makes a change to the **annual percentage rate** by changing the applicable indicator rate, any such change will apply to the **Facility** at the commencement of the **statement period** which follows the date notified as being the effective date of such revised indicator rate.

16 Cancellation of cards

16.1 Cancellation of a **card** by **NAB**

- (a) **NAB** may at any time without prior notice, cancel a **card**. Examples of when **NAB** may do this include, but are not limited to, where the **Customer** is in default under this agreement or another **facility** that the **Customer** has with **NAB**, where **NAB** believes on reasonable grounds that the continued operation of the **account** or **card** may cause loss to the **Customer** or **NAB**, where the **account** is inactive. These examples are for guidance only and do not limit the ability of **NAB** to cancel the **card**.

- (b) Upon receipt of advice of such cancellation, the **Customer** will use its best endeavours to cause the **card** to be returned to **NAB** at the earliest possible date. Before being returned, the **card** should be cut (including any **chip** on the **card**) diagonally in half.

16.2 Cancellation of a **card** – **Customer** request

The **Customer** can revoke the authority of a **cardholder** to operate the **account** if the **Customer**:

- (a) gives **NAB** a notice requesting the authority be revoked or otherwise advise **NAB** in a manner acceptable to **NAB** that the **Customer** wishes this to be done; and
- (b) takes all reasonable steps to return any current **card** to **NAB** or otherwise destroy the **card** by cutting (including any **chip** on the **card**) it diagonally in half. If the **Customer** requests **NAB** to revoke the authority of a **cardholder**, the **Customer** must immediately notify the **cardholder** of this request.

16.3 If the **Customer** makes a request to revoke the authority of a **cardholder** to operate the **account** in accordance with 16.2, the **Customer** is responsible for:

- (a) transactions generated by use of the **cardholder's card** until the **Customer** has made the request; and
- (b) transactions generated by use of the **cardholder's card** which are processed to the **Customer's account** after **NAB** receives the **Customer's** request.

17 Security

Where **NAB** holds, or during the term of the **Facility** acquires, security of any description securing any other liabilities of the **Customer** to **NAB**, the **Customer's** liability under the **Facility**, will also form part of the monies secured by that security.

18 Termination

- (a) Termination of this **agreement** does not prejudice the rights and remedies of **NAB**, including without limitation the right to recover from the **Customer** any monies owing or that may become owing to **NAB** under the **Facility**. In particular, the **Customer** will remain liable for all credit and interest charges or other charges including **government** fees,

duties and charges until all monies owing or that may become owing to **NAB** under the **Facility** have been paid.

- (b) In the event of termination of this **agreement** for any reason whatsoever, all **cards** will be cancelled and the **Customer** will ensure those **cards** are returned to **NAB** immediately after being destroyed in the manner described in 16.1(b). If any **card** is used after it's cancellation, the **Customer's** liability for use of the **card** will continue until return of the **card** to **NAB**. The **Customer** must pay **NAB** the whole of the outstanding balance on the **account** upon termination of this **agreement** including all costs, charges and expenses relating to it.
- (c) In the event of termination, the **Customer** remains liable for any regular payment arrangements on the **account** in accordance with 18(a) until the arrangement is cancelled or revised by the **Customer**. The **Customer** should contact the merchant to revise any regular payment arrangements as the merchant may stop providing the good/or services.

NAB Rewards Business Signature Card Facility, NAB Rewards Business Platinum Card Facility, NAB Qantas Business Signature Card Facility, NAB Qantas Business Card Facility and NAB Low Rate Card Facility

- (c) The **Customer** may, at any time, give **NAB** a notice of termination of this **agreement**, in which event this **agreement** will terminate at the expiration of 60 days from the date of receipt of such notice.
- (d) **NAB** may terminate this **agreement** at any time without notice. Examples of when **NAB** may do this include, but are not limited to, where the **Customer** is in default under these Terms and Conditions or the Terms and Conditions of another facility that the **Customer** has with **NAB**, where **NAB** believes on reasonable grounds that the continued operation of the account may cause loss to the **Customer** or **NAB**, or where the **account** is inactive. These examples are for guidance only and do not limit the ability of **NAB** to cancel the **account**. Note, a **Customer** is in default of these Terms and Conditions if any of the matters in 18(f) apply.

NAB Business Card Facility

- (e) Subject to 18 (f) **NAB** may end this **agreement** by giving the **Customer** 30 days, notice.
- (f) **NAB** may terminate this **agreement** immediately if:
 - (i) the **Customer** breaches their obligations under this **agreement** and hasn't rectified the breach within 7 days of receiving written notification from **NAB**;
 - (ii) **NAB** considers on reasonable grounds the **Customer** is or may be **insolvent** or unable to pay their debts as they fall due;
 - (iii) there is a change in the **Customer's** ownership or control, without **NAB's** prior written consent (such consent not to be unreasonably withheld);
 - (iv) any other event or circumstance arises, financial or otherwise, which in **NAB's** reasonable opinion is likely to materially and adversely affect the **Customer's** ability to perform or meet any of their obligations under this **agreement**.

- (a) in the case of a change to an **annual percentage rate**:
 - the date the change takes effect; and

NAB will notify the **Customer** of any other change that **NAB** may make unilaterally by giving the **Customer** notice of the change no later than 30 days before the change takes effect.

NAB may agree to change this **agreement** or defer or waive any of the Terms and Conditions of this **agreement** without creating a new contract.

If the **Customer** is not happy with any change **NAB** makes, the **Customer** can terminate this agreement by paying the outstanding balance, together with applicable fees, charges and interest. In such case, the **Customer** must also arrange to cancel any direct debits or periodical payments made from the **account**.

PART A – GENERAL EXPLANATORY INFORMATION

This section does not form part of the **Customer's** agreement with **NAB**. It contains descriptive information, designed for the **Customer** to gain a general understanding of common banking practices and procedures in relation to credit card accounts.

It is not a complete statement of the relevant law or practice. Further information on any matter covered in this section can be obtained by contacting **NAB** using the contact details listed on the inside leaf of the front cover of these Terms and Conditions.

A Regular Payment Arrangements and mail order authority

The Customer is encouraged to keep a record of any Regular Payment Arrangement that the Customer elects to enter into with a merchant. If the **Customer** wishes to cancel or make alternate regular payment arrangements (eg insurance premiums) or outstanding mail-order authorities on this **account**, the **Customer** should notify this to the merchant. The **Customer** is not able to cancel an authority to a merchant for these types of transactions merely by notifying **NAB**. **NAB** cannot redirect transactions subject to an authority to a new **account**, even where the **Customer's** existing **account** has been closed.

For changes to regular payment arrangements, the **Customer** should notify the merchant at least 15 days prior to the next scheduled repayment. If possible, the **Customer** should retain a copy of the change/cancellation request. Should the merchant fail to act in accordance with these instructions, the **Customer** may have rights to a dispute.

Should the **Customer's** **card** number be changed, for example as a result of a lost or stolen **card**, the **Customer** must request that the merchant change the details of the **Customer's** existing "Regular Payment Arrangement" to ensure arrangements continue. If the **Customer** fails to undertake this activity, the **Customer's** "Regular Payment Arrangement" either may not be honoured by the financial institution or the merchant may stop providing the goods and/or services.

Again, NAB may have rights against a merchant after a particular transaction has been processed, if there is a dispute. The **Customer** should notify **NAB** in writing of disputes as soon as possible.

B Unclaimed credit balances

If the **Customer** has not operated the **account** for three years (for example, by making transactions), the **account** may be closed and the balance transferred to the Commonwealth Government as unclaimed money. **NAB** will notify the **Customer** at their last known address at least 30 days before any such variation takes effect.

C Complaint investigation procedures

If the **Customer** has a complaint, they should promptly notify the Card Centre or their Banker. The **Customer** may be required to confirm details of the complaint in writing and to provide supporting material.

NAB will try and resolve the matter immediately to the **Customer's** satisfaction.

However, if **NAB** is unable to do this, it will acknowledge receipt of the **Customer's** claim and investigate the matter further after obtaining from the **Customer** any additional information that is reasonably necessary.

Within 21 days, **NAB** will advise the **Customer** in writing of:

- (a) the outcome of its investigation – and including the reason for its decision and the specific part of the contract that was applied; or
- (b) the need for more time to complete its investigation.

NAB will endeavour to complete its investigation within 45 days of receiving the complaint unless there are exceptional circumstances, of which it will advise the **Customer**. On completing its investigation, **NAB** will promptly advise the **Customer** in writing of the outcome and the reasons for this outcome.

The Australian Financial Complaints Authority

If the **Customer's** concerns haven't been resolved to their satisfaction, they can lodge a complaint with the Australian Financial Complaints Authority (AFCA):

Website: afca.org.au

Email: info@afca.org.au

Telephone: **1800 931 678** (free call)

In writing to: Australian Financial Complaints Authority, GPO Box 3, Melbourne, VIC 3001

D Disclaimer

The information in this General Explanatory Information is general and descriptive and should not be taken as a complete statement of the relevant law or practice. **NAB** strongly suggests the **Customer** reads the Terms and Conditions in full. The Customer should obtain legal advice or consult the Financial Ombudsman Service before relying upon any rights they think they may have as a customer of **NAB**.

Issue of a card

- 1 This **Card** has been issued to **You** by **NAB** to access the **Account** as agent of the **Customer** in accordance with these Cardholder Conditions of Use. The **Card** is issued on the understanding that each time **You** present the **Card** for payment constitutes a request by the **Customer** for credit to be extended to the **Customer** by **NAB** in accordance with the **Facility Terms and Conditions**.
- 2 **NAB** may at times issue a new **Card** to **You** which will also be subject to these Cardholder Conditions of Use.
- 3 **You** agree the **Card** is the property of **NAB**.

Use of a card

- 4 A **Card** will not be accepted unless it carries Your signature and is used during the period shown on the **Card**.
- 5
 - (a) A **Card** will normally be honoured by banks and merchants displaying the relevant card scheme sign.
 - (b) However, applicable card scheme promotional material displayed on any premises does not mean that all goods and services available at those premises may be purchased with Your **Card**. **NAB** is not liable for any refusal of any merchant or bank to accept or honour Your **Card**.
 - (c) Subject to any applicable law, **NAB** will not be responsible for goods or services supplied to **You**. Any complaints must be resolved with the merchant. In some circumstances **NAB** may be able to lodge a claim to request or refund for you under the card scheme's rules for disputed transactions. Details about chargeback rights and the procedures for disputing transactions are in the Facility Terms and Conditions. You should contact **NAB** immediately about any disputed transaction.
- 6 **You** must not **use** the **Card** to obtain a **cash advance** unless **You** have been notified by the **Customer** that **You** can. If **You** are unsure if **You** can **use** the **Card** to obtain **cash advances** or **You** do not understand what transactions are **cash advances** please seek assistance from the **Customer**. The **Customer** may instruct **NAB** to cancel Your ability to **use** the **Card** to obtain **cash advances** at any time. The **Customer** will notify **You** in this event.

In the event Your **Card** can be used to make **cash advances**, the minimum amount of a **cash advance** may vary from bank to bank and scheme to scheme. A cash advance cannot be made using Your **Card** at a contactless terminal.

- 7 Your **Card** may only be used until such time as **NAB** cancels Your **Card**, which it may do at any time without notice. Examples of when **NAB** may do this include but are not limited to where **NAB** believes on reasonable grounds Your continued use of Your **Card** or **Card Account Details** may cause loss to the **Customer** or

NAB, or the **Customer** is in default of the Facility Terms and Conditions. These examples are for guidance only and do not limit the ability of **NAB** to cancel Your **Card**. Upon being notified that **NAB** has cancelled Your **Card**, **You** undertake to return that **Card** to **NAB** or to the **Customer**. From the date of notice of cancellation the **Card** may not be used and no further credit applicable to the **Card** will be extended by **NAB** to the **Customer** on the **Account**.

- 8 (a) **You** may apply to **use** Your **Card** in **NAB's** **electronic banking facilities** without the need for the **Customer** to consent. Upon receipt of the **Card** or **Card Account** Details (as defined in the Conditions of Use for Electronic Banking (card-based)), whichever is received first, the **use** of the **Card** and **Card Account** Details will be subject to the Conditions of Use for Electronic Banking (card-based). However, 6.5 and the guidelines on security in 6.6 in the Conditions of Use for Electronic Banking (card-based) apply immediately upon receipt of the Personal Identification Number ('PIN').
- (b) In the event of a conflict between the Conditions of Use and the Conditions of Use for Electronic Banking (card-based) the Conditions of Use for Electronic Banking (card-based) shall prevail. For the purposes of 2.1 of the Conditions of Use for Electronic Banking (card-based), **You** may nominate the **Account** together with any cheque or savings or other acceptable account which **You** are solely authorised by **NAB** to operate.
- 9 A **Card** or **Card Account Details** must not be used for any unlawful purpose, including the **purchase** of goods or services, prohibited by local law in your jurisdiction.

International transactions

- 10 For the purposes of 10, "International transactions" are transactions where the merchant, financial institution or entity processing the transaction is located outside Australia. These transactions are either:
- 'single currency'** or **'multi currency'** international transactions

- a **'single currency international transaction'** is where the transaction is made in Australian dollars (AUD)
- a **'multi currency international transaction'** is where the transaction is made in a currency other than Australian dollars (AUD)

The way international transactions are processed and appear on your statement of account depends on the relevant credit card scheme and the type of transaction.

Single currency international transactions – MasterCard and Visa

By your agreement with the merchant, purchases are converted to Australian dollars (AUD) by the merchant at the point of sale using exchange rates provided by a third party.

A **NAB** International Transaction Fee, as notified to the **Customer** by **NAB**, is charged to your card in accordance with the Facility Terms and Conditions. This fee includes a fee charged by the credit card scheme to **NAB** (and on charged by **NAB** to you), calculated on the Australian dollar amount.

Should you request a refund of the transaction the merchant will convert a refund using exchange rates applicable at the date the refund is processed. This means the refund may be converted using a different exchange rate to the one used for the original purchase.

Multi – currency international transactions – MasterCard and Visa

This table below describes how purchases, cash advances, refunds and other charges incurred at the time of the transaction in currencies other than Australian dollars (AUD) are converted to AUD by each credit card scheme.

The converted AUD amount appears on the statement of account as the transaction amount.

A **NAB** International Transaction Fee, as notified to the **Customer** by **NAB**, is charged to your card in accordance with the Facility Terms and Conditions. For MasterCard and Visa transactions, this fee

includes a fee charged by the credit card scheme to **NAB** (and on charged by **NAB** to you), calculated on the converted Australian dollar amount.

Visa	<p>Transactions incurred in currencies other than AUD are converted to AUD.</p> <p>The conversion rate is either:</p> <ul style="list-style-type: none">• Selected by Visa from the range of rates available in wholesale currency markets for the applicable processing date. Note: This rate may vary from the rate Visa receives.• Mandated by a government or governing body and in effect for the applicable processing date.
MasterCard	<p>Transactions incurred in currencies other than AUD are converted to AUD.</p> <p>The conversion rate used is a government-mandated exchange rate or a wholesale exchange rate obtained by MasterCard from a range of international currency providers.</p>

Note: Refunds incurred in currencies other than AUD are converted to AUD by the credit card schemes using exchange rates applicable at the date of processing by the credit card scheme. This means the refund may be converted using a different exchange rate to the one used for the original purchase.

Credit limit

- 11 The credit limit applicable to the **Card** issued to You is the amount notified to **You** by **NAB** or the **Customer**. **You** must not exceed the credit limit applicable to the **Card**.

Lost and stolen cards, and unauthorised use of cards

Notification procedure

- 12 (a) If a **Card** is lost or stolen within Australia You must immediately notify **NAB** by calling 1800 033 103, or any other means **NAB** makes available to you. If your **Card** is lost or stolen outside Australia,

You must call +61 3 8641 9083, or use any other means NAB makes available to **You**, or notify a bank displaying the applicable card scheme sign. In either case, **you** must also notify the **Customer**.

- (b) Where requested, **you** must give **NAB** all of the information **you** have about how the loss occurred.
 - (c) You acknowledge that the **Customer** may have liability for transactions made by use of the **Card or Card Account Details** until **NAB** receives notice from **you** or the Customer.
- 13 **You** should immediately notify the **Customer** of any unauthorised mail, telephone, or internet order arising from the **use** of the **Card or Card Account Details**.

Variation

- 14 Subject to any applicable law or industry code of conduct, the **Facility Terms and Conditions** and Conditions of Use for Electronic Banking (card-based) may be varied by **NAB** by notice in writing to the **Customer** or to **you** as agent of the **Customer** or by advertisement in **NAB** or local press no later than the day the variation takes effect.

Exercise of discretion

- 15 Where these Conditions of Use confer a right or discretion on **NAB**, **NAB** will exercise that right or discretion reasonably after having regard to its legitimate business interests.

PART B – CONDITIONS OF USE FOR ELECTRONIC BANKING (CARD-BASED)

Introduction

These Conditions of Use for electronic banking (card-based) replace NAB's Conditions of Use for electronic banking and all references to that document should now be read as referring to these Conditions of Use.

The rights and obligations outlined in these Conditions of Use comply with the ePayments Code as revised by the Australian Securities and Investments Commission and with the Code of Banking Practice.

1 Application of these Conditions of Use

When do the Conditions of Use apply?

- 1.1 These Conditions of Use are binding on You from whichever of the following first occurs:
- (a) in relation to a Card which is not a credit card, by applying for the Card to be issued and linked to any Nominated Account; or
 - (b) the Accountholder or any Cardholder conducts an EFT Transaction on any Nominated Account; or
 - (c) subject to clause 1.1(d) any Cardholder receives their Card; or
 - (d) in relation to a credit card, upon receipt of the Card or Card Account Details, whichever is received first.

However, note clause 6.5 and the guidelines on security in clause 6.6 apply immediately upon receipt of the PIN.

Application of Conditions of Use

- 1.2 These Conditions of Use apply to EFT Transactions on Your Nominated Accounts. These include, but are not limited to:
- (a) EFT Transactions initiated by You at NAB ATMs or ADMs using Your Card and PIN;

- (b) EFT Transactions initiated by You at ATMs provided by other institutions using Your Card and PIN;
- (c) EFT Transactions initiated by You at EFTPOS facilities provided by merchants using Your Card and PIN;
- (d) EFT Transactions initiated by You using Your Card Account Details through other Electronic Equipment (such as personal computer or telephone) including, for example, merchant Internet sites and by telephone or email with a merchant;
- (e) EFT Transactions initiated by You where a credit card is used through a 'swipe-only' device that does not require a manual signature; and
- (f) EFT Transaction initiated by You where a credit card or Card Account Details capable of making Contactless Purchases is used at a Contactless Reader.

Conditions of Use do not apply

- 1.3 These Conditions of Use do not apply to transactions (including transactions involving Nominated Accounts linked to Your Cards) undertaken over the following channels:
- NAB Internet Banking;
 - NAB Telephone Banking;
 - NAB Online Corporate; and
 - NAB Online Business.

These channels have separate Terms and Conditions of use.

Other Terms and Conditions

- 1.4 Separate Terms and Conditions exist for:
- (a) credit cards issued by NAB and for the credit account which may be used in conjunction with these credit cards; and
 - (b) any of the Nominated Accounts which can be accessed using Your Card.

Unless otherwise stated in these conditions, the Conditions of Use do not change or amend any of the existing rules, regulations, Terms and Conditions and disclosures pertaining to these Cards or Nominated Accounts. Where the conditions in this document conflict with other agreements governing Cards or Nominated Accounts, these Conditions of Use will prevail in respect of EFT Transactions, except for notice of cancellation, or revocation of service issued under credit card Terms and Conditions.

Accountholder to ensure distribution

- 1.5 Accountholders must ensure that each Cardholder is provided with a copy of this Conditions of Use document before any of the events referred to in clause 1.1 occur.

2. Limits on EFT transactions

Nominated accounts

- 2.1 Your Card and PIN (or Your Card Account Details) enable transactions to be made on those bank accounts which have been nominated for use with NAB's card-based electronic banking facilities. When Your Card is a credit card, the credit card account is a Nominated Account. Other Nominated Accounts are identified on the reminder card accompanying the initial advice of NAB allocated PIN.

Please note clauses 3.2, 3.3 and 3.4 for other limits on EFT Transactions.

Number and type of accounts

- 2.2 There is a limit to the number and type of accounts which can be accessed by means of NAB's card-based electronic banking facilities.

The Main Nominated Accounts comprise:

- Two main cheque accounts or two main statement savings accounts (including home and personal loan accounts but excluding credit card accounts) or one of each; and
- If a Card is a credit card, the credit card account.

Furthermore, three additional accounts of either or both of the above account types (excluding credit card accounts) may be accessed by each Card.

However, some types of Electronic Equipment may not allow access to all types of accounts.

EFTPOS terminals permit access to one only of the Nominated Accounts (being either a cheque or savings account) You have designated as a 'main account' for each transaction. (That is, an individual EFTPOS transaction must be debited to one account, although a separate transaction may be debited to another designated 'main account'.)

Amounts withdrawn or transferred

- 2.3 NAB reserves the right to limit the amount which may be withdrawn or transferred from a Nominated Account by way of certain EFT Transactions.

A 'daily' limit applies from midnight to midnight Australian Eastern Standard Time or Australian Eastern Standard Summer Time (whichever is applicable) to purchases and withdrawals of cash undertaken using a Card and PIN.

You will be advised of these specific limits when issued with a Card, and You will be subsequently advised of any change to these limits. The limits advised by NAB are not an undertaking by NAB to so limit the amounts withdrawn or transferred by use of NAB's card-based electronic banking facilities. However, the advised limit does limit your liability for Unauthorised Transactions (see clause 6).

Valid and irrevocable authority

- 2.4 Your use of a Card, Card Account Details or PIN through Electronic Equipment to initiate an EFT Transaction is an unchangeable order to NAB to process the EFT Transaction. Neither a Cardholder nor an Accountholder may request NAB to stop or alter the EFT Transaction. However, the Accountholder's liability for the EFT Transaction could be limited in terms of clause 6.3.

3. Card-based electronic banking facilities

NAB ATMs and ADMs

- 3.1 Subject to the Terms and Conditions applying to Your Nominated Account, Your Card and PIN enable You to use NAB's ATMs and ADMs as determined by NAB.

NAB's ATMs allow You to withdraw or transfer funds between all Nominated Accounts, obtain a record of recent transactions (not available for a credit card account), order a repeat statement (not available for a credit card account) and check Your account balances. Some NAB ATMs may also allow You to deposit funds into a Nominated Account and to change Your PIN.

NAB's ADMs allow You to deposit funds into Nominated Accounts using a Deposit Only Card and PIN.

It is Your responsibility to familiarise Yourself with the correct use of ATMs and ADMs. If You are unsure or require assistance in the operation of the ATM or ADM, please seek assistance from NAB's branch staff or contact NAB using the customer service enquiry details in the Summary of Important Information at the front of this document.

ATMs provided by other institutions

- 3.2 ATMs provided by other institutions accepting Cards may allow You to withdraw funds and check Your designated Main Nominated Account balances. Institutions providing other ATMs accepting Cards may impose their own restrictions on the operation of the Cards with their ATMs including limits to the amounts which may be withdrawn and the accounts which may be accessed (this means that funds you attempt to withdraw from a non-NAB ATM may be processed from an account which was not nominated at the time of withdrawal). NAB accepts no responsibility for such restrictions.

EFTPOS Terminals provided by merchants

- 3.3 EFTPOS Terminals allow You to pay for purchases and may allow the option of withdrawing extra cash from Your designated Main Nominated Account at certain locations (but not from a credit card account). Merchants providing EFTPOS Terminals accepting Cards may impose their own restrictions on the operation of the Cards with their EFTPOS Terminals including limits to the amounts which may be withdrawn. NAB accepts no responsibility for such restrictions.

Other transactions through electronic equipment

- 3.4 (Such as using a merchant Internet site on a computer or by communicating through telephone or electronic mail with a merchant.) The merchant or other person may impose their own restrictions on these EFT Transactions.

(Such as a purchase at a merchant using a contactless reader.) Contactless readers give you the option of making purchases up to limit notified to you by NAB.

NAB has no control over whether a merchant will accept this form of Contactless purchase. The merchant or other person may impose their own restrictions on these EFT Transactions.

NAB accepts no responsibility for any such restrictions in connection with any such transactions through electronic equipment.

Functionality

- 3.5 The processing of an EFT Transaction to a particular account will depend on the functionality of the Electronic Equipment (for example, an overseas ATM may process a transaction to a Main Nominated Account which is a credit card account even though You sought to initiate a debit transaction on a different Nominated Account).

NAB accepts no responsibility for this differing functionality.

Fees

- 3.6 Fees may apply to any EFT Transaction You undertake with NAB's card-based electronic banking facilities, the amount and nature of which are detailed in NAB's brochures:
- 'A Guide to Fees and Charges – Personal'; or
 - 'A Guide to Fees and Charges – Business', as applicable.

4 Operation of card-based electronic banking services

Receipts

- 4.1 (a) It is desirable for You to retain or record Receipts to verify Your account statements;
- (b) The issuing of a Receipt by an EFTPOS Terminal or ATM may be accepted as evidence that the transaction has been performed by NAB in terms of the Receipt. This condition does not apply to deposits lodged in ATMs or ADMs (see clauses 5.1 and 5.2).
- (c) When making a Contactless purchase you must check the correct amount of the purchase is displayed on the Contactless reader or on the merchant register.

Statements

- 4.2 (a) Credit card account statements are provided in terms of the credit card's specific Terms and Conditions. For other Nominated Accounts NAB will provide You with a statement at least every 6 months. You may request more frequent statements if You wish. To request a change to the frequency of Your statement, please contact NAB using the customer service enquiry details in the Summary of Important Information at the front of this document.
- (b) For all Nominated Accounts a statement of account may also be requested at other times with information to the date of the request.

- (c) For the purposes of preparing statements, NAB reserves the right to show an EFT Transaction as having been carried out on the next Business Day after the day the transaction was made.

Review statements of account

- 4.3 You should always review Your statements of account and bring to NAB's attention any discrepancies, errors or Unauthorised Transactions as soon as possible. If You believe there is an error or discrepancy in a statement of a Nominated Account/s, or You wish to dispute an EFT Transaction, You must report this to NAB. Please refer to the customer service enquiry details in the Summary of Important Information at the front of this document.

Discrepancies in cash delivered by an ATM

- 4.4 When withdrawing cash from an ATM, You should immediately check that the correct sum has been delivered. If there is a discrepancy between the amount of cash delivered by an ATM and the amount shown on the Receipt, report the facts as soon as possible to NAB. Please refer to the customer service enquiry details in the Summary of Important Information at the front of this document.

Cards

- 4.5 Remember to take proper care of Your Card and Card Account Details. Do not keep Your Card in contact with other cards that have a magnetic strip. Magnetic strips can react with each other and if this occurs Your Card may no longer operate an ATM, ADM or EFTPOS terminal.
- (a) Your Card is issued with validity dates denoting month and year, for example 01/10 is January 2010. The commencing date is the first day of the month, the expiry date the last day of the month. Cards are not valid before or after these dates. Expired Cards must be destroyed.
- (b) You agree that Your Card remains the property of NAB. You further agree to return the Card to NAB or destroy the Card by cutting it vertically in half through its magnetic strip upon:

- (i) Notice from NAB cancelling Your Card; or
 - (ii) Closure of all Your Nominated Accounts; or
 - (iii) Revocation of authority to operate Your Nominated Accounts by means of Your Card.
- (c) Your Card may be confiscated by an ATM or ADM should repeated entry of an invalid PIN occur. The number of additional entries allowed after the first invalid entry may be varied at NAB's discretion and is not subject to any prior notice.

EFTPOS malfunction

- 4.6 In the event of an EFTPOS Terminal malfunction or failure, the merchant may provide alternative manual procedures to enable a transaction to be made. You will be required to present Your Card for imprinting of a transaction voucher, indicate one of the Main Nominated Accounts, and sign the transaction voucher. (The procedure is similar to that used for paper voucher credit card transactions.) NAB reserves the right to vary the manual procedure at any time.

If You have indicated on the paper voucher that a Main Nominated Account is to be debited, and that account is closed or has insufficient funds available, NAB may redirect the debit entry to the other Main Nominated Account (excluding a credit card account) without notice to You.

Merchants

- 4.7 NAB will not be liable for the refusal of any merchant to accept a Card, or Card Account Details and will not be responsible for the goods and services supplied by a merchant subject to:
- (a) Any rights You may have against NAB in relation to goods or services purchased by use of Your Card or Card Account Details if the transaction is covered by the Australian Securities and Investments Commission Act 2001 or the Trade Practices Act 1974; and
 - (b) Any other applicable law.

Any complaints concerning goods and services purchased must generally be resolved with the merchant.

Promotional material

- 4.8 Promotional material referring to NAB's card-based electronic banking facilities that is displayed on or in any premises, does not mean that all goods and services may be purchased by means of an EFT Transaction. You also accept that the use of Your Card and Card Account Details may be subject to other limitations imposed by the merchant.

Government charges

- 4.9 To the extent permitted by law, NAB reserves the right to charge Your Nominated Account/s with any government charges, duties or taxes now or later imposed on transactions on the Nominated Account/s.

5. Deposits

Cash deposits at ATMs and ADMs

- 5.1 When making a cash deposit at an ATM or ADM You should be aware that such deposit may not be credited to Your account immediately.

A cash deposit lodged in an ATM or ADM is subject to verification and at our discretion may not be credited to Your account until the following Business Day. Deposits made at an ATM or ADM after 6.00pm will be credited to your account within 2 Business Days.

In the event of a discrepancy between the deposit value determined by NAB and the amount recorded by the ATM or ADM, the Accountholder will be promptly advised of the actual amount which has been credited to the Nominated Account. Remember to include the ATM or ADM deposit advice card in the envelope with the deposit, as failure to do so may delay funds being credited to Your account. NAB reserves the right to correct or reverse any such deposit transaction.

NAB will accept responsibility for the security of Your deposit correctly lodged at an ADM or ATM which offers depositing services, subject to verification of the amount deposited.

Where the claimed deposit is not available for verification following forceful removal of the ATM or ADM or other criminal act, NAB requires You to reasonably substantiate the value of Your claim.

Deposits in the form of cheques

- 5.2 If You make a deposit in the form of, or including a cheque, the funds of the cheque are not available for withdrawal until the cheque reaches the paying bank and NAB is guaranteed payment. (This condition applies to deposits made through an ATM, ADM or at a branch of NAB.) In the event of a discrepancy between the value of cheques deposited as determined by NAB and Your deposit claim, NAB will inform You. NAB reserves the right to correct or reverse any such deposit transaction.

Because of the requirements of NAB's systems, NAB reserves the right to place a 'hold' on the full amount of a deposit which includes a cheque.

(That is, for example, where a deposit includes cash and one or more cheques, the hold applies to the cash component as well as to the value of cheques.)

Holds are normally applied for 3 Business Days, and transactions requiring use of these funds may be refused within this period.

Therefore, if You wish to deposit cash and expect to withdraw against the sum of that cash within the three-day period, You are advised to deposit the cash separately from the cheques. (That is, make two deposit transactions.)

NAB will not be responsible for any claim or refusal of a transaction if this condition is disregarded. You are entitled to enquire from any branch of NAB if holds are to be applied to any deposit.

Subject to clause 6, You, the Cardholder, agree to indemnify NAB against all claims or liabilities it may incur as a consequence of it collecting a cheque of which You are not the true owner.

6. Responsibilities and liabilities

Your responsibilities with respect to the Card

- 6.1 You agree:
- (a) To sign the Card immediately on receipt;
 - (b) To keep Your Card in a safe place, and provide reasonable protection for the **Card** and Card Account Details from theft;

- (c) To notify NAB should the Card or Card Account Details be lost or stolen (refer to the contact details in the Summary of Important Information at the front of this document or through any other means NAB makes available to you. The **Customer** must give **NAB** all the information the **Customer** or any **cardholder** has about how the loss occurred.);

- (e) To use the Card in terms of these Conditions of Use;

- (g) If a temporary Card has been issued to You, You agree to destroy it upon receipt of a personalised Card.

General responsibility

- 6.2 The Accountholder is generally responsible for all EFT Transactions authorised by the use of the Card and/or PIN and/or the Card Account Details or undertaken by another person with Your knowledge and/or consent. The Accountholder's liability for any use not authorised by You may however be limited as provided below.

No Accountholder liability in some circumstances

- 6.3 The Accountholder is not liable for:
- (a) losses that are caused by the fraudulent or negligent conduct of NAB's employees or agents or companies involved in networking arrangements or of merchants or of their agents or employees;
 - (b) losses arising because the PIN, Card Account Details or Card is forged, faulty, expired, or cancelled;
 - (c) losses that arise from EFT Transactions which required the use of Your Card or Card Account Details or Your PIN and that occurred before You received the Card or Card Account Details or PIN;

- (d) losses that are caused by the same EFT Transaction being incorrectly debited more than once to the same account;
- (e) losses resulting from Unauthorised Transactions occurring after notification to NAB that the Card or Card Account Details has been misused, lost or stolen or the security of the PIN has been breached;
- (f) losses resulting from Unauthorised Transactions where it is clear that You have not contributed to such losses.

Accountholder liability for unauthorised transactions

6.4 The Accountholder is liable for losses resulting from Unauthorised Transactions as provided below:

- (a) where NAB can prove on the balance of probability that You contributed to the losses through Your fraud or Your contravention of the security requirements in clause 6.5, the Accountholder is liable for the actual losses which occur before NAB is notified that the Card has been misused, lost or stolen or that the security of the PIN has been breached.

However, the Accountholder is not liable for any of the following amounts:

- (i) that portion of the losses incurred on any one day which exceed the applicable daily transaction limit(s);
- (ii) that portion of the losses incurred in a period which exceeds any other periodic transaction limit(s) applicable to that period;
- (iii) that portion of the total losses incurred on any account which exceeds the balance of that account (including any prearranged credit);
- (iv) all losses incurred on any accounts which the Accountholder and NAB had not agreed could be accessed using the Card or PIN.

- (b) the Accountholder is also liable where NAB can prove on the balance of probability that You contributed to losses resulting from Unauthorised Transactions because You unreasonably delayed notifying NAB after becoming aware of the misuse, loss or theft of the Card or Card Account Details, or that the security of the PIN has been breached. The Accountholder will then be liable for the actual losses which occur between the time You became aware (or should reasonably have become aware in the case of a lost or stolen Card or Card Account Details) and when NAB was actually notified. However, the Accountholder will not be liable for any of the following amounts:
- (i) that portion of the losses incurred on any one day which exceed the applicable daily transaction limit(s);
 - (ii) that portion of the losses incurred in a period which exceeds any other periodic transaction limit(s) applicable to that period;
 - (iii) that portion of the total losses incurred on any account which exceeds the balance of the account(s);
 - (iv) all losses incurred on any accounts which NAB and the Accountholder had not agreed could be accessed using Your Card and PIN.
- (c) where a PIN was required to perform the Unauthorised Transactions and neither paragraph (a) nor (b) applies, the Accountholder is liable for the least of:
- (i) until 1 April 2003, \$50, and thereafter \$150; or
 - (ii) the balance of those account(s) (including any prearranged credit) from which value was transferred in the Unauthorised Transactions and which NAB and the Accountholder have agreed may be accessed using the PIN; or

- (iii) the actual loss at the time NAB is notified (where relevant) that the Card has been misused, lost or stolen or that the security of the PIN has been breached (excluding that portion of the losses incurred on any one day which exceeds any applicable daily transaction or other periodic transaction limit(s)).
- (d) The Accountholder is liable for losses arising from Unauthorised Transactions that occur because You contributed to the losses by leaving a Card in an ATM.

Your responsibilities

- 6.5 (a) where NAB provides You with a PIN You must not:
- (i) voluntarily disclose the PIN to anyone, including a family member or friend (unless Your Card is a Deposit Only Card);
 - (ii) record the PIN on the Card or on any article carried with the Card or liable to loss or theft simultaneously with the Card;
 - (iii) act with extreme carelessness in failing to protect the security of the PIN.
- (b) where NAB allows You to select a PIN or change Your PIN You must not select:
- (i) a numeric code which represents Your birth date; or
 - (ii) an alphabetical code which is a recognisable part of Your name.

Either of these selections may mean You are liable for losses caused by Unauthorised Transactions caused by a breach of Your PIN.

Guidelines

- 6.6 You should also comply with these guidelines to protect the security of Your Card, Card Account Details and PIN and thus reduce the possibility of any inconvenience to You:
- (a) do not permit any other person to use the Card or Card Account Details;

- (b) destroy the PIN envelope after memorising the PIN;
- (c) take reasonable care when using an ATM, ADM or EFTPOS Terminal to ensure the PIN is not disclosed to any other person; and
- (d) should You require a memory aid to recall Your PIN You may make such a record, providing the record is reasonably disguised. However, NAB does not consider the following examples to provide a reasonable disguise and You agree not to:
 - (i) record the disguised PIN on Your Card;
 - (ii) disguise a PIN by reversing the number sequence;
 - (iii) describe the disguised record as a 'PIN record' or 'Password record';
 - (iv) disguise the PIN as a telephone number, part of a telephone number, postcode or date of birth;
 - (v) disguise the PIN using alphabetical characters, for example:
 - A = 1
 - B = 2
 - C = 3, etc.

There may be other forms of disguise which may be similarly unsuitable because of the ease of another person discerning Your PIN.

Please note all the guidelines set out in clause 6.6 are for Your assistance but Your liability in the case of an actual loss will be governed by the ePayments Code and clause 6.5 in this document. However, You should take care to meet the guidelines set out in clause 6.6 as a failure to meet these guidelines may, in some circumstances, constitute an act of extreme carelessness under clause 6.5(a) (iii).

Advising NAB

- 6.7 If You believe Your Card or Card Account Details have been lost or stolen, Your PIN divulged or that there has been misuse of Your Card, You must advise NAB as soon as possible. Please refer to the contact details in the Summary of Important Information at the front of this document or any other means NAB makes available to you. The **Customer** must give **NAB** all the information the **Customer** or any **cardholder** has about how the loss occurred.

Once NAB has been notified of these matters, the Accountholder's liability for further EFT Transactions will be limited.

Where telephone facilities are not available during particular periods, any losses occurring during these periods that were due to non-notification are deemed to be the liability of NAB, providing notification is made to NAB within a reasonable time of the facility again becoming available. Please refer to the contact details in the Summary of Important Information at the front of this document.

NAB will acknowledge Your report and You should record or retain this acknowledgement.

Liability under credit and charge card scheme rules

- 6.8 Notwithstanding the above where You notify NAB of an Unauthorised Transaction on a credit card or charge card account, NAB will not hold the Accountholder liable for an amount greater than the liability the Accountholder would have had if NAB had, at the time the complaint was made, exercised its rights (to the extent relevant) under the rules of the credit card or charge card scheme.

Failure of NAB electronic equipment

- 6.9 (a) except in the case of a Business EFT Transaction NAB will be liable to You for losses You suffer caused by the failure of NAB's Electronic Equipment or system to complete an EFT Transaction accepted by NAB's system or NAB's Electronic Equipment in accordance with Your instructions.

However, NAB will not be liable for consequential losses where You should have been aware that NAB's Electronic Equipment or system was unavailable for use or malfunctioning. NAB's responsibilities in this case will be limited to the correction of errors in Your account and the refund of any charges or fees imposed on You as a result. NAB will also not be liable for any losses caused by the failure of NAB's Electronic Equipment where NAB's system or Electronic Equipment had not accepted the EFT Transaction.

- (b) Except to the extent caused by NAB's negligence, NAB will not be liable to You for any loss, claim, liability or outgoing, which You suffer because of any failure of NAB's systems or NAB's Electronic Equipment to complete a Business EFT Transaction. In no circumstances will NAB be liable for any consequential loss or damage.

7 Complaint investigation and resolution procedure

Notify NAB

- 7.1 If You believe that there has been an error in a transaction, instance of Unauthorised Transactions, or error in Your statement of account, promptly notify NAB. Please refer to the contact details in the Summary of Important Information at the front of this document. All relevant information available to You regarding the complaint is to be disclosed to NAB.

You may be required to report any Unauthorised Transaction to the police and to provide NAB with a copy of such report. You may also be required to complete a statutory declaration detailing particulars of the disputed transaction.

Written advice

- 7.2 Should NAB be unable to resolve the matter immediately to Your satisfaction, NAB will provide You with a written advice of NAB's procedures by which it will be investigated and handled further.

NAB will acknowledge receipt of Your claim, and within 21 days of receipt of the complaint NAB will advise You in writing of either:

- (a) the outcome of NAB's investigation, detailing the reasons for NAB's decision with reference to the specific terms of the Conditions of Use where appropriate; or
- (b) the need for more time to complete NAB's investigation.

Unless there are exceptional circumstances, of which NAB shall advise You in writing, NAB may require up to 45 days from receipt of Your complaint to complete NAB's investigations.

Monthly updates

- 7.3 Where an investigation continues beyond 45 days, NAB shall provide You in writing with:
- (a) the reasons for the delay;
 - (b) monthly updates on the progress of NAB's investigation; and
 - (c) a date when a decision can be reasonably expected; except where NAB is awaiting a response from You and NAB has advised You of this fact.

Australian Financial Complaints Authority

- 7.4 If, because of a delay in giving a final decision, You have a right to take a matter to the Australian Financial Complaints Authority, NAB will advise You in writing about that right within 5 Business Days of the day on which You acquire it.

Account adjustments

- 7.5 If NAB concludes, as a result of NAB's investigations, that Your account has been incorrectly debited or credited, NAB will promptly adjust Your account (including any interest and charges) accordingly and notify You in writing of the amount by which Your account has been adjusted as a result. If NAB concludes from its investigations that Your account has not been incorrectly debited or credited, or in the case of Unauthorised Transactions, that You have contributed to at least part of the loss occasioned by the unauthorised use (see clause 6), NAB will supply You with copies of any document or other evidence on which NAB based its finding and will advise You in writing whether there was any system or equipment malfunction at the time of the transaction.

Senior management review

- 7.6 If You are not satisfied with NAB's findings You may request, in writing, a review of these findings by NAB's senior management. Please direct such requests in writing to:

National Australia Bank
Head of Customer Resolutions, Reply Paid 2870
Melbourne, VIC, 8060
Fax: (03) 8641 0665

After this further review, should You remain dissatisfied with the findings of the investigation, external avenues of complaint may exist including, for example, the Consumer Affairs Department, Small Claims Tribunal and the Australian Financial Complaints Authority.

Some of the information that we give to credit reporting bodies may reflect adversely on your credit worthiness, for example, if you fail to make payments or if you commit a serious credit infringement (like obtaining credit by fraud). That sort of information may affect your ability to get credit from other lenders.

With your consent, personal information may also be shared with credit reporting bodies or other approved third parties who are authorised to assess the validity of identification information. These checks help us verify whether your identity is real and are not a credit check.

Sharing outside of Australia

We run our business in Australia and overseas. We may need to share some of your information (including credit information) with organisations outside Australia. Sometimes, we may need to ask you before this happens. You can view a list of the countries in which those overseas organisations are located at <http://www.nab.com.au/privacy/overseas-countries-list/>

We may store your information in cloud or other types of networked or electronic storage. As electronic or networked storage can be accessed from various countries via an internet connection, it's not always practicable to know in which country your information may be held. If your information is stored in this way, disclosures may occur in countries other than those listed.

Overseas organisations may be required to disclose information we share with them under a foreign law. In those instances, we will not be responsible for that disclosure.

We will not share any of your credit information with a credit reporting body, unless it has a business operation in Australia. We are not likely to share credit eligibility information (that is, credit information we obtain about you from a credit reporting body or that we derive from that information) with organisations unless they have business operations in Australia. However in the event NAB seeks assistance from a related company to manage defaulting loans, we may need, as a consequence, to disclose credit eligibility information to the Bank of New Zealand, located in New Zealand. We are likely to share other credit information about you with organisations outside Australia. A list of countries in which those overseas organisations are located is set out above.

Contact credit reporting bodies if you think you have been the victim of a fraud

If you believe that you have been or are likely to be the victim of fraud (including identity fraud), you can request a credit reporting body not to use or disclose the information they hold about you. If you do this, the credit reporting body mustn't use or disclose the information during an initial 21 day period without your consent (unless the use or disclosure is required by law).

This is known as a **ban period**.

If, after the initial 21 day ban period, the credit reporting body believes on reasonable grounds that you continue to be or are likely to be the victim of fraud, the credit reporting body must extend the ban period as they think reasonable in the circumstances. The credit reporting body must give you a written notice of the extension.

Contact credit reporting bodies if you don't want your information used by them for direct marketing/pre-screening purposes

Credit reporting bodies can use the personal information about you that they collect for a pre-screening assessment at the request of a credit provider unless you ask them not to. A pre-screening assessment is an assessment of individuals to see if they satisfy particular eligibility requirements of a credit provider to receive direct marketing. You have the right to contact a credit reporting body to say that you don't want your information used in pre-screening assessments. If you do this, the credit reporting body must not use your information for that purpose.
