If you are experiencing chargebacks at a level unacceptable to NAB from a risk viewpoint, we may require you to introduce authentication or other card verification procedures to address chargeback risk at your cost. Failure to do so may result in termination of your Merchant Agreement. We may also terminate or suspend your participation in authentication on reasonable notice unless we need to provide less to manage a risk.	Clause 5.5

17.	Termination	You or NAB can terminate the Merchant Agreement on 60 days' notice, without reason. NAB can also terminate for breach without notice if a breach cannot be remedied. - (g) you grant enduring rights to NAB to contact any service providers that enable you to acquire credit card transactions. This clause is limited to the purpose of determining the extent of a data breach, assessing remedies for that data breach and assessing the level of compliance with PCIDSS; and
- (h) NAB is obliged to report all data breach events to card schemes or any person involved in any card scheme, law enforcement agencies and or regulatory agency whether we have been requested by that agency to provide that information or not. You grant irrevocable and enduring consent for NAB to release details of any such data breach to the aforementioned bodies; and
 - (i) if you have suffered a data breach you must notify NAB within 24 hours and give NAB and its agents full access to your systems and databases to facilitate a forensic analysis to ascertain:
 - (A) what data has been compromised and how; and
 - (B) what weaknesses in the system permitted the unauthorised access to the data base, disclosure or loss of data from the data base or of any device containing data; and
 - (C) whether data was created, deleted, altered, copied or manipulated in any manner; and
 - (D) how many cardholders have been affected and the nature of the data accessed, disclosed or lost
 - (ii) if you use the services of any third-party provider, you give NAB and its agents full access to necessary outsourced components such as data bases and web hosting systems; and

- (g) must take reasonable steps to ensure that the information and documents mentioned in clause 3.7(e) are protected from misuse and loss and from unauthorised access, modification, or disclosure; and
- (h) must not indicate or imply that we or any card scheme endorse any goods or services or refer to a nominated card in stating eligibility for goods, services or any membership; and

- (l) must not unfairly distinguish between issuers of a nominated card when processing a transaction.

Surcharging

- 3.8 From 1 October 2026 you must not apply a surcharge to any transaction you accept pursuant to this agreement, even if your equipment or your electronic equipment remains enabled for surcharging after surcharging is prohibited.
- If surcharging prior to 1 October 2026:
- (a) you must disclose to a cardholder before a transaction is completed any fee that you will charge for completing the transaction and do it in such a way that allows the transaction to be cancelled, without the cardholder incurring any cost; and
 - (b) for each card type, the surcharge must not exceed your cost of acceptance including charges made by a third-party service provider in connection with acceptance of the card for that card scheme type. For more detail on how to calculate a surcharge that complies with the Reserve Bank of Australia standard see <https://www.nab.com.au/business/payments-and-merchants/merchant-support-centre/rba-surcharging>; and

 - (c) otherwise comply with any provisions of the Interactive Gambling Act as amended from time to time regulating the acceptance of payments by a regulated interactive gambling service provider.

4. Accepting nominated cards

- 4.1 You must:

 - (b) notify us if you become aware of or suspect fraud on the part of a cardholder; and

 - (i) splitting a transaction into two or more transactions unless the first represents a deposit and the second the balance owing; or
 - (ii) allowing a cardholder to purchase items separately; and

 - (e) only process a transaction as a refund which includes a partial refund to a cardholder if it is a genuine refund of a previous sale transaction. If you process a refund transaction, the refund must be processed to the same card that was used in the original sales transaction, for the original sale amount, and must not be given in cash or by cheque; and
 - (f) not state or set a minimum or maximum amount for a nominated card transaction without our prior written consent; and
 - (g) not ask a cardholder to reveal their PIN or any other secret identifier (other than by discretely entering it on the terminal when prompted to do so); and

 - (i) not accept any card in order to process any transaction if that card has been issued to you, a member of your immediate family or issued to another person under the terms of a facility in your name.

Point of sale transactions

- (a) always:
 - (i) insert a chip card into your terminal and follow the prompts, or
 - (ii) in the case of a contactless transaction enable a contactless card to be read by your terminal, contactless reader or equipment, otherwise swipe or insert it following any prompts including those indicating the need for a PIN and/or a signature; and

- (c) offer the cardholder a copy of the transaction receipt immediately after completing the transaction; and
- (d) include the disclosure we require on all transaction receipts if you wish to limit your acceptance of returned goods or services or establish a policy for making price adjustment.

Clauses 4.2(b) and (d) above do not apply to a contactless transaction unless the equipment prompts you to obtain a PIN or signature.

4.3 For transactions using equipment:

 - (iii) ensure that you use equipment only as permitted by your agreement with us or the supplier; and

 - (v) process all transactions by reading card data with the equipment; and
- (b) you must not:
 - (i) process a transaction by manually keying details into the equipment unless the transaction is a MOTO transaction or an e-commerce transaction and then only if you have our prior consent in writing to do so; or

- (c) any consent we may provide under clause (b), may be subject to you providing us with indemnities connected with the risks of operating in fallback or using key entry.

- 4.6 If you wish to undertake substantial changes to the payment pages of your website including any changes which affect authentication, you must give us at least 10 banking days' prior notice. This will enable us to use a test mode while changes are being undertaken. We will not commence the live operation of the merchant services until we have completed acceptance tests of your website and are satisfied that it is compatible with the merchant services.

- 4.10 Your website payments page must be protected by Transport Layer Security or any other form of security method approved by us.

Recurring transactions and free trials

- 4.11 You may only process a transaction as a recurring transaction if:
 - (a) you have obtained cardholder permission to periodically charge for a recurring service; and
 - (b) you retain this permission for the duration of the recurring services and make it available to us on request; and
 - (c) you provide a simple and accessible online cancellation procedure if the cardholder's request for the goods or services was initially accepted online.
- 4.12 You must not:
 - (a) include partial payment for goods or services purchased in a single transaction; or
 - (b) complete a recurring transaction if you receive a decline response or a cancellation notice from the cardholder.
- 4.13 This clause 4.13 only applies if you accept recurring transactions with free trials or promotional discount periods. If you offer introductory free trials or promotional discounts as part of an ongoing recurring transaction arrangement (whether or not the customer has ordered the goods or services) you must comply with the following and make the following disclosures when you enroll a cardholder:
 - (a) Provide a digital receipt, even if no payment is yet due, confirming your cardholder's consent to the free trial, including terms and conditions and the amount and frequency of future payment obligations.
 - (b) Send a reminder email or text message advising that any free trial period is over, including a link to a cancellation page, at least 7 days before processing the first transaction after the end of the trial period.
 - (c) Deliver a clear message that the free trial has ended. For example, "End Trial" in the merchant descriptor that appears on the cardholder's statement.

 - (e) inform a cardholder not billed in the transaction currency that each instalment amount may vary due to currency conversion rate fluctuations; and
 - (f) obtain authorisation for all transactions; and
 - (g) not add any finance charges to the instalment transaction.

Quasi-cash transactions

- 4.14 Clauses 4.14 to 4.18 (inclusive) apply to merchants conducting quasi-cash transactions (a transaction involving the purchase of goods easily converted into cash such as gaming chips, money orders or foreign cash). To the extent that there is any inconsistency between this clause and the other provisions of the agreement, clauses 4.15 to 4.18 (inclusive) will prevail. To the extent you fail to comply with the obligations under this clause or we need to manage risk, we may take action to suspend or terminate the merchant services under clause 29.
- 4.15 You must identify the cardholder as follows:
Where the card doesn't include a photograph of the cardholder, you must sight positive identification of the cardholder, and indicate the type of identification sighted, including any serial number, on the transaction receipt; or
- 4.16 You must check that the signature on the transaction receipt and where clause 4.16 applies, on the identification presented.
- 4.17 You must clearly disclose to the cardholder any commission you charge for accepting a quasi-cash transaction and include it in the total transaction amount, before completing the transaction.
- 4.18 You must process a quasi-cash transaction (a purchase of goods easily converted into cash such as gaming chips, money orders or foreign cash) as a purchase transaction not a cash out transaction.

5. Authorisation and authentication

Authorisation

- 5.1 You must obtain authorisation by following the prompts on the equipment and comply with any authorisation procedures of which we advise you, including those relating to e-commerce transactions and MOTO transactions.
- 5.2 For a MOTO transaction or an e-commerce transaction requiring goods to be shipped, you may obtain authorisation from us up to seven calendar days before the date on which the goods are actually shipped.
- 5.3 You acknowledge and agree that authorisation is not a guarantee of payment. An authorisation only confirms that at the time of the authorisation the card number exists, is valid, the card has not been listed as lost or stolen and that the card has sufficient funds to cover the transaction. It does not guarantee that the person using the card is the genuine cardholder or that the card is not a forgery. If you have received pre-authorisation, you may cancel it up to thirty days from the time you obtained it but only if:
- (a) the transaction has not yet been processed; and
 - (b) at the time of cancellation, both the cardholder and the card are present; and
 - (c) the card used for the cancellation is the same one used in the pre-authorisation.

E-commerce transaction authentication and verification

- 5.5 In respect of authentication:
- (a) you acknowledge and agree that to participate in the authentication procedures you must:
 - (i) currently be receiving e-commerce merchant services from us; and
 - (ii) comply with all manuals, guides or directions we or the card schemes give you from time to time regarding authentication that we post or amend on nab.com.au including at **Protecting You Online With 3-D Secure Banking – NAB**
 - (b) unless we agree otherwise, send us an authentication request each time a cardholder purchases goods or services from you on your website; and
 - (c) carry out any additional authorisation procedures arising out of authentication of which we advise you in writing; and
 - (d) if you send us an authentication transaction, or a transaction that you attempted to authenticate but couldn't within the confines of the scheme rules because either:
 - (i) the card issuer isn't a registered participant in authentication or,
 - (ii) the card issuer did not respond to your authentication request,which we then authorise and process, provided you are using an authentication process approved by the card schemes, we will not charge it back to you on the basis that the cardholder claims that they were not the person who purchased goods and services from you on your website; and
 - (e) authentication may not prevent you incurring a chargeback which is raised because you accepted an invalid transaction in breach of clause 10.
 - (f) the procedures relating to authentication have been established by the card schemes and may be varied by them

from time to time. You agree to comply promptly with any new or different requirements of which we notify you. If the authentication process you are using is no longer approved by the card schemes you risk incurring chargebacks as if you were using no authentication process at all; and

- (g) we may decide to terminate or suspend your participation in authentication at any time (see clause 29.4). We will endeavour to give you reasonable notice of this decision, however, we may not give you advance notice (for example if it is reasonably necessary for us to act quickly to manage a risk); and
- (h) after termination of authentication or during any period of suspension of authentication we will process your transactions as if you had never been a participant in authentication and the usual chargebacks will apply
- (i) If you are experiencing a level of chargebacks which is unacceptable to us, having regard to relevant law or the guidance or requirements of any industry body, we may require that you participate in such authentication or card verification procedures as are reasonably necessary at your cost to reduce your chargebacks to an acceptable level including procedures which incorporate SCA factors. We may also, acting reasonably, require you to implement other measures necessary for chargeback reduction. Failure to do so within a reasonable timeframe as determined by us will be a material breach for the purposes of clause 29.4, and which could result in the suspension or termination of the merchant services under this agreement.

6. Transaction receipt

- 6.1 You must prepare a transaction receipt for each transaction (except a contactless transaction or a recurring transaction where the cardholder has elected not to receive a receipt) in accordance with clause 6.2, but you must not charge a fee for doing so.
- 6.2 The information contained on the transaction receipt must be identical with any other copy and must legibly include:
 - (a) the amount, date and time of the transaction; and
 - (b) a brief description of the goods or services; and
 - (c) details of any cash provided; and
 - (d) any special terms or disclosures specified in the quick reference guide relevant to a subscription transaction;
 - (e) the currency symbol if it is in a foreign currency; and
 - (f) for e-commerce transactions:
 - (i) the merchant's name most recognisable to the cardholder; and
 - (ii) contact information for service enquiries; and
 - (iii) terms and conditions of sale, if restricted; and
 - (iv) exact date free trial ends, if offered; and
 - (v) cancellation policy; and
 - (vi) website address; and
 - (g) any other information we advise you is required including any special terms or disclosures specified in the quick reference guide relevant to a subscription service.
- 6.3 You must offer the cardholder a copy of the transaction receipt:
 - (a) immediately after completing the transaction; or
 - (b) for a card not present transaction as soon as possible following their request unless it is generated automatically.
 - (c) which may be in electronic form in the case of an e-commerce or contactless transaction or with the cardholder's consent.
- 6.4 For at least 18 months after a transaction, you must retain:
 - (a) for a point of sale transaction, the original transaction receipt; or
 - (b) for a card not present transaction, the transaction receipt and any document that is evidence of the cardholder's request to you to charge amounts through the nominated card.
- 6.5 You must provide us with the transaction receipt and any other required evidence of the transaction within seven days if we ask for it. If you fail to do so to our satisfaction, we may charge a sales transaction back to you if the amount cannot be collected from the cardholder.
- 6.6 You agree to allow us to examine your books of account or records relating to any transaction.

7. Processing transactions

- 7.1 You must give us information about a transaction:
- (a) by entering the transaction immediately if you are using live equipment;
 - (b) within the time frames we specify from time to time in relation to other transaction methods.
- 7.2 In giving us information on a transaction or otherwise for the purposes of this agreement, you must ensure that:
- (a) all the particulars are true; and
 - (b) the transaction is valid and acceptable; and
- 7.3 In giving us the information on a transaction you give us an irrevocable order to act in relation to that information in accordance with this agreement.
- 7.4 You must give us information about a transaction only in the form and using a method approved by us for your use.
- 7.5 We have no obligation to process a transaction until we are satisfied any information received in relation to the transaction is in accordance with this agreement (and that it is not an invalid or unacceptable transaction as described in clause 10). We will not be liable for any failure to process a transaction under this provision, except to the extent of our fraud, negligence or misconduct.

8. Merchant Choice Routing

- 8.1 MCR may be enabled for your merchant services in the following ways;
- (a) by NAB automatically and as a feature of the fees applicable to your merchant services.
 - (b) as a result of you contacting us and asking that MCR be enabled.
 - (c) by NAB after notice to you that we intend to enable MCR for your merchant services.

with the exception of MCR enabled in accordance with 8.1(a) above MCR may be disabled on your request if it was previously enabled on your request or by NAB after acting reasonably in its commercial interests. MCR may be incompatible with other merchant services you receive or plan to receive from NAB or third-party service provider and therefore not available to you.

8.2 Your Decisions about MCR

If MCR is enabled for your merchant services other than in accordance with clause 8.1(a) above, you agree that you will monitor your fees and any thresholds applying to your MCR, to ensure that it meets your needs, failing which you agree to consider contacting NAB to arrange having MCR disabled. Find out more about MCR in the NAB merchant Quick Reference Guide at

<https://www.nab.com.au/content/dam/nabrwd/documents/terms-and-conditions/payment-and-merchants/nab-merchant-agreement-quick-reference-guide.pdf> and on **[nab.com.au/merchantchoicerouting](https://www.nab.com.au/merchantchoicerouting)**

8.3 NAB's decision about MCR

- (a) Where NAB enables or disables MCR in accordance with this clause it does so making no warranty or representation that such enablement or disablement will result in cost reductions
- (b) While NAB will take reasonable care in making decisions about MCR pursuant to this clause, except where due to our willful breach or willful misconduct and subject to relevant law, it does not accept any responsibility for any detrimental changes in your fees resulting from the enablement or disablement of MCR whether initiated by NAB or at your request.

9. Using a third-party service provider

- 9.1 If you choose to use a third-party service provider in connection with the transmission, storage or processing of information including any information in connection with authentication to us, you must:
- (a) notify us in writing before you commence using, or change your third-party service provider; and
 - (b) give us such information as we may reasonably require in relation to that third-party service provider; and

- 9.4 If you use a third-party service provider to inform us about transactions, we may rely on any information or instruction that we receive as if that information or instruction was received from you.
- 9.5 This also applies to any information we process in reliance on the information received from the third-party service provider on your behalf.
- 9.6 Should a third-party service provider cease operating or cease to be registered or approved by us we will no longer accept transactions sent by that third-party service provider. Further, we will not be responsible for any ongoing costs, including migration which will be your responsibility.

- 11.2 You must use your nominated account primarily for business purposes.

Foreign Currency Transactions

- 11.8 This clause 11.8 and clauses 11.9 to 11.10 apply to you if we receive a transaction from you in foreign currency whether or not we have agreed with you in the terms of your letter of offer to process transactions in foreign currency. - 24.3 We need not incur any expense nor make any payment before enforcing a right of indemnity conferred by this agreement.
- 24.4 This indemnity survives termination of this agreement.
- 24.5 If you have any liability to us under this clause or any other part of this agreement, we may set off that liability against any liability we have to you. However, if this is a small business contract, we will not exercise these rights unless you are in default, we give you notice or we are exercising our rights against a bank deposit account (in accordance with clause 43). Otherwise, if we exercise these rights without giving you prior notice (including because you are in default) we will notify you after exercising these rights.

25. Limitation of liability

- 25.1 We try to maintain your facility, including all equipment we supply to you and systems in good working order and with as little downtime as possible. However, there may be times where, due to technology issues or scheduled maintenance, you are unable to process transactions, access any part of the merchant services via the merchant portals or experience slower transaction response times than usual. We recommend you have a backup payment method in place for when this occurs.
- 25.2 Except where due to our fraud, negligence or misconduct, we are not liable for any loss including loss of revenue you incur if any part of the merchant services or any equipment we or others supply is not working properly or you can't process transactions for any reason.
- 25.3 To the maximum extent permitted by law, and except with respect to any implied condition or warranty the exclusion of which would contravene any relevant law (including the *Australian Consumer Law*) or cause any part of this clause to be void ("non-excludable condition"), we disclaim any implied warranties in respect of the equipment or your use of the equipment or the provision of merchant services under this agreement, including any implied warranties of merchantability or fitness for purpose.
- If non-excludable provisions apply to
- (a) the equipment that we have supplied you and that equipment is defective, our liability under any non-excludable condition will be limited to the cost of repairing or replacing the equipment or, if you prefer, refunding fees paid you relating to that equipment (if any) for any period during which it was not performing correctly; or
 - (b) merchant services provided to you under this agreement our liability under any non-excludable condition will be limited to the re-supplying of services or the cost of having those services resupplied or, if you prefer, refunding fees paid by you for any period during which we did not provide services because of matters reasonably within our control (if any), except to the extent that it would not be fair and reasonable for us to rely on a limitation contained in (a) or (b).

Neither party will be liable to the other for any consequential loss however caused.

- (c) This clause survives termination of this agreement.
